# ACTIVITIES

"Activities are the backbone of school spirit."

## *Freshmen Are Welcomed on Orientation Day*

Orientation Day was held on August 26, 1977. Eager freshmen and new students made their way to the auditorium for a brief program. Mr. Richardson opened the program with words of welcome. The band, Belles, majorettes and cheerleaders were dressed in their uniforms as they proudly performed for the new students. Introductions were made of the student council representatives. Instructions were then given to the students to visit their homerooms.

The assembly came to an end; and the halls were filled with lost freshmen. Once in the homerooms, B.A. folders were given to everyone. The folder included such information as a list of the counselors, the school calendar, the bell schedule, and the athletic schedule.

Students were then allowed to leave, and visit the lunchroom. Cookies and punch were served to everyone. Booths were set up as different clubs and organizations were represented. The new students left Bryan Adams with excitement and anticipation, of the new school year.

## *Early Birds Arrive Before First Period*

Are you one of the hundreds of Bryan Adams students who find it difficult to arrive at school by the 8:25 bell? Now have pity for the 144 students who must be here at 7:20 for 00 classes. During football season band and Belle members must be at school between 7:00 and 7:30 for early morning practices. The morning before a pep assembly, Spirits and cheerleaders can be heard going over the cheers to be used in that days assembly.

Others rush to do last minute homework or studying for a test in the library before the first period bell rings, on the other hand, a few Bryan Adams students arrive at school early just to have a donut and coke with some friends. School activities start long before 8:25.

## *First Day of School Brings Many New Faces*

August 29, 1977 at Bryan Adams was a very exciting day as 3,150 students attended the first day of school. The new students were greeted by a big banner of welcome, hanging over the front door. Everyone went to their assigned homerooms to fill out medical and census cards. After homeroom it was then time for students to go through their new schedules. As the second week of school started the halls were thinning out, and the teachers started counting tardies. The "you are here" maps were taken down, and the lost faces seemed to disappear. The new school year was off to a great start.

## *Assemblies Spark Enthusiasm for Football*

Aside from the game itself, assemblies are the highlight of each week during football season. Within two short assemblies during first period, almost every person at Bryan Adams joins together to get "spirit" and just have fun. Band, Belles, Cheerleaders, C.C.'s, C.B.'s, and Spirits represent a great many people in assemblies.

Presentation of our flag and the National Anthem are the first events of assemblies. Afterwards, cheerleaders present skits, give out spirit sticks, and lead in cheers. Band and majorettes add sparkle by playing jazz numbers that are the trademark of our band. Occasionally as a special treat, the Belles perform their routines. The assemblies ended every time with our alma mater. Assemblies raised support for our football team each week.

## *Lunchroom Picks Up Student Spirit*

Over the years, the Bryan Adams cafeteria has become the most popular gathering and meeting place in our school. Where else can you buy a complete lunch, stock up on school supplies, and enjoy good music all at the same time?

The B.A. bookstore has been very beneficial in aiding students with necessary supplies. The store is stocked full of just about anything a student might need or want, including a Student Action Box for any suggestions students might have to better our school.

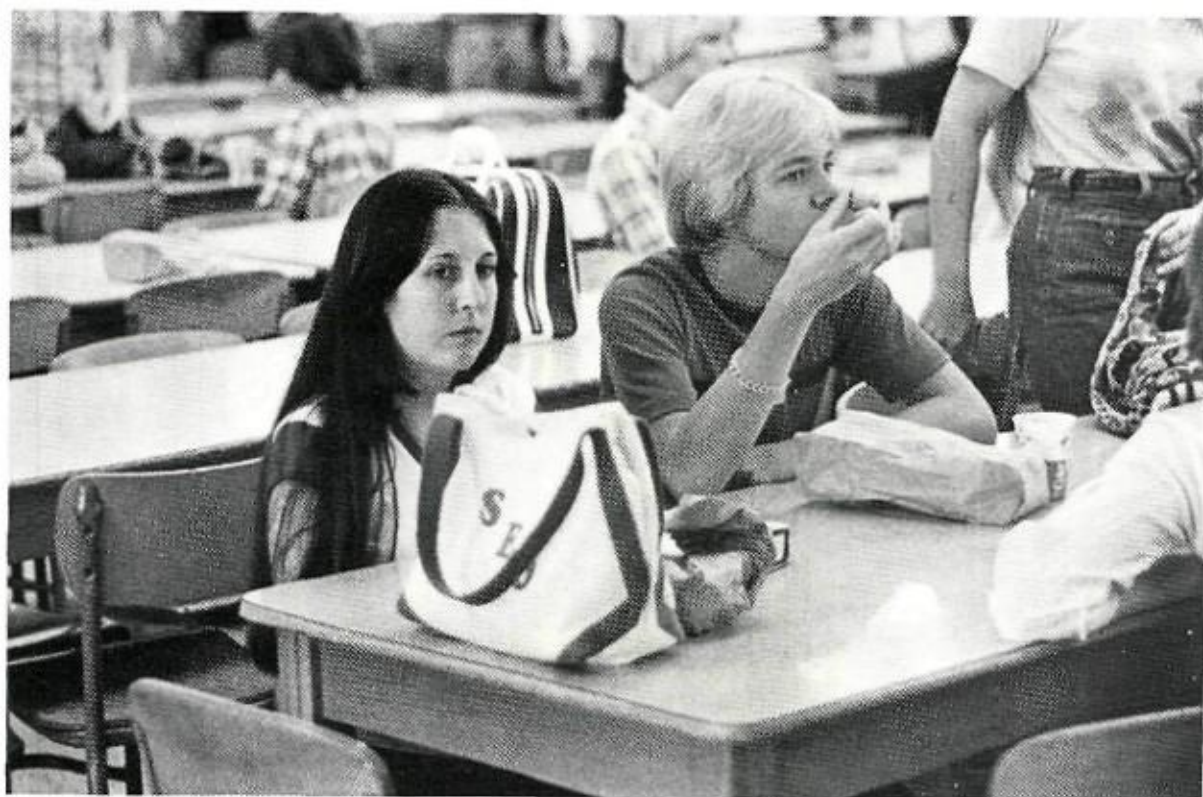

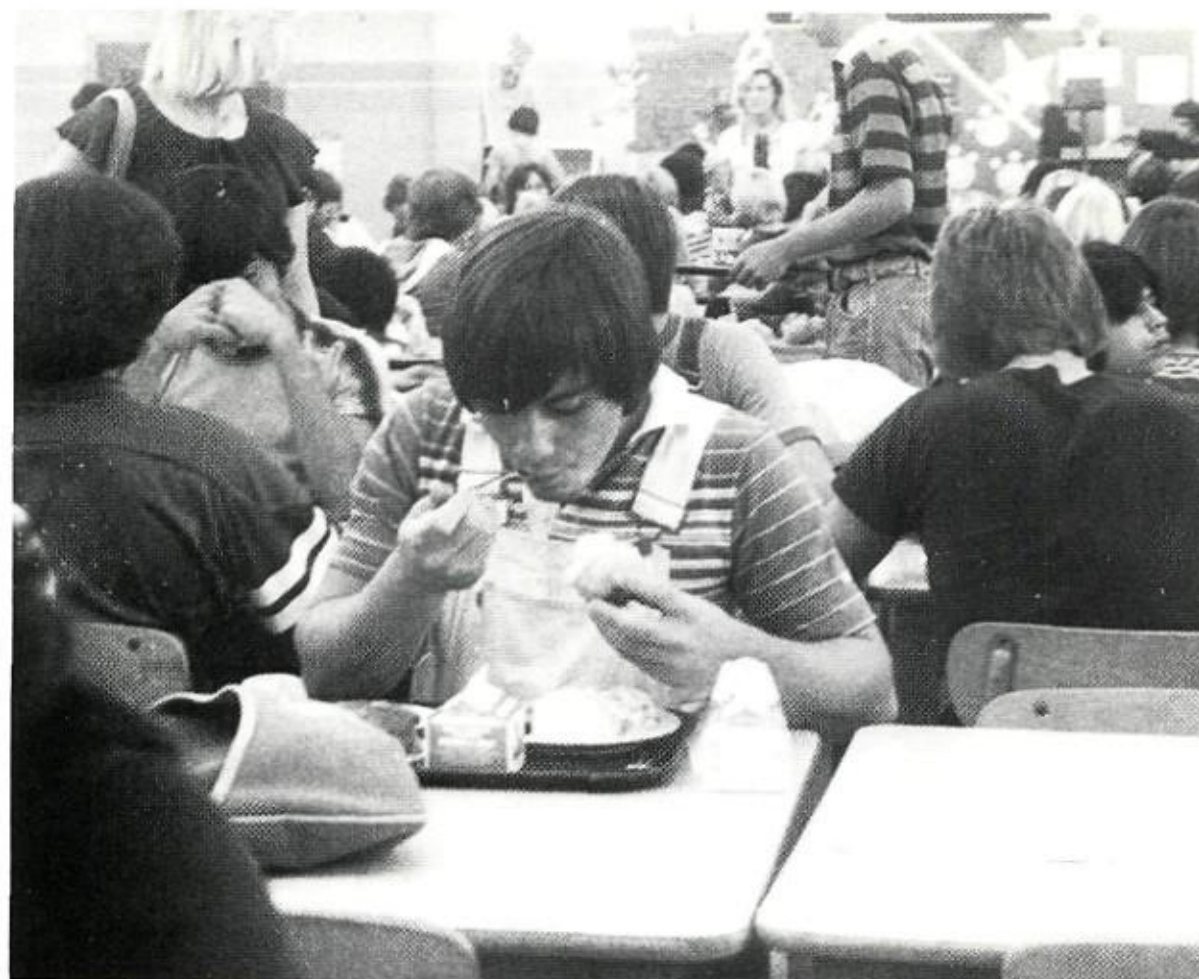

The juke box provides the type of music that the students like to hear and makes the lunch periods a little more enjoyable and entertaining.

If you need to know about any certain event, check the room. They will supply you with a complete agenda of "what's happenin' " at our school.

## *The Last Bell Rings and Still a Full Day Ahead*

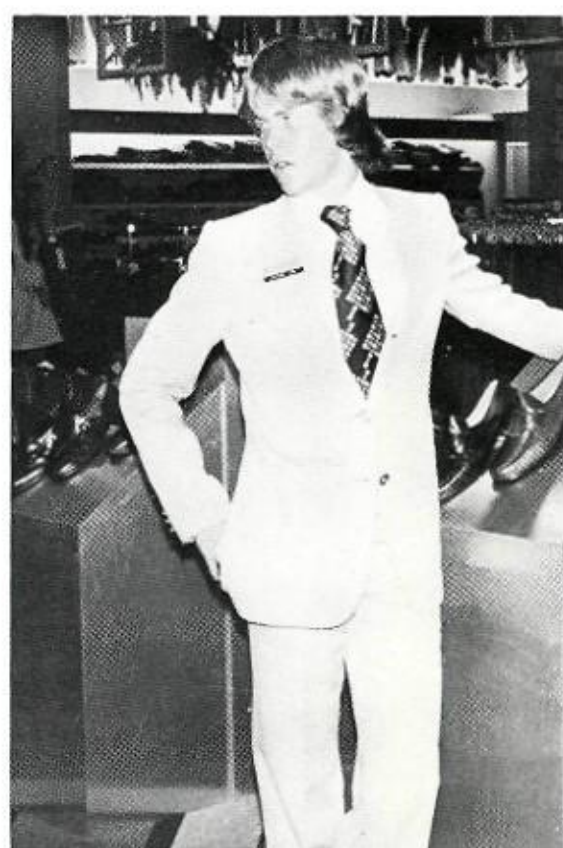

As the 3:00 bell rings and the school day slowly comes to a close many students still have a full afternoon and evening to go. Spirits could be seen decorating the halls with posters and crepe paper the afternoon before all football games, meanwhile the football team was running through pre-game practices during seventh period. In room 231 the annual staff works frantically to meet deadlines during sixth and seventh periods, while the newspaper staff in room 142 work on getting the next edition of the Cougar Crossroads to the student body. A major part of the Bryan Adams students leave for afterschool jobs when the last bell rings. Others go home to prepare for an evening out with friends.

## *Nightlife Gives Relaxation After a Hard Day*

Activities don't stop when the Bryan Adams student leaves school. Nightlife is a main part of a students activities. Some people work, while others entertain themselves with a movie and dinner. Fargo's, Magic Pan, and all restaurants on Greenville Ave. are patronized by students. Clubs and discos become additional entertainment for those that are of legal age. Couples visit the ever-famous submarine races held every night at White Rock Lake. Altogether, nightlife at B.A. proves to be an exciting part of the day.

## *The Week of Homecoming Brings Excitement and Memories*

Anticipation and excitement filled the halls of Bryan Adams during the week of Homecoming. There were dresses to be bought, flowers had to be ordered, and tickets needed to be bought. The Student Council designated certain days for the entire student body to dress alike. Country spirits came out on over-all day. Students expressed their choices for the future on college t-shirt day. On the day of Homecoming game B.A. spirit was expressed by green and white day.

The stage played during lunches one day to build up spirit for the upcoming game. While other students were getting ready for the dance at the Holiday Inn Ballroom, some members of the Student Council were decorating the ballroom. The week of Homecoming was a time of excitement and will always be remembered.

# Homecoming Dance Adds to Victory Celebration

On the evening of Nov. 5, the ballroom of the Holiday Inn on Center-ville came alive with lights and sound of the band "Trigger Happy" as the Bryan Adams student celebrated their impatiently awaited annual Homecoming dance. BA teamed with excitement, but there was little joy in the hallowed halls of H. Grady Spruce as the Apaches were forced to unhappily accept their crushing defeat from the mighty Cougars on Homecoming eve.

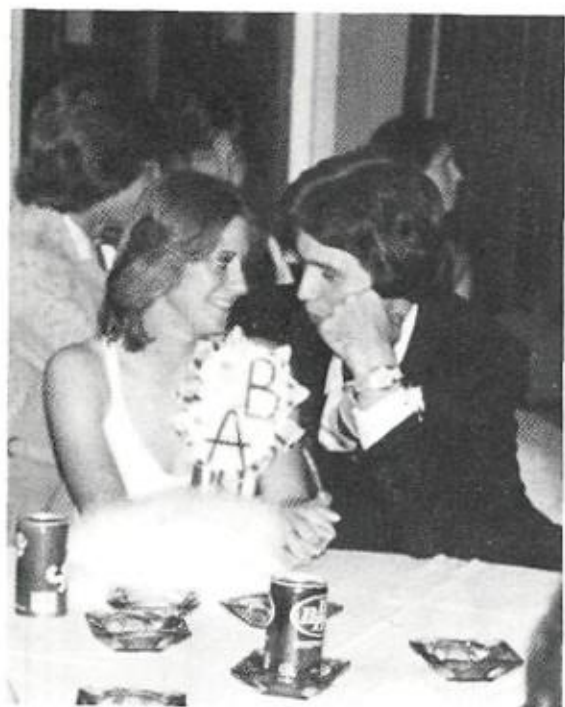

Thanks to the fantastic sponsorship of the Student Council, the dance was a complete success. Students and some teachers poured in the doors at 8:00 p.m. and wearily yet happily departed at 12:00 p.m. Wild dancing and music were not the only activities presented. A lovely homecoming queen was also selected along with her just-as-lovely court. Homecoming queen was Ms. Kye Presley followed by junior princess Ms. Midge Anderson, sophomore duchess Ms. Melissa Shelton, and freshman maiden Ms. April Kelly.

## *N.F.L. Presents "Thursday Night at the Movies."*

"Thursday Night at the Movies" was held this year on October 29. This talent show was held to benefit the National Forensic League. Money was used to pay for transportation to and from N.F.L. tournaments, and the entry fees.

John Simmons was this year's Master of Ceremonies. Much of the show consisted of songs and dances. The "Tribute to Elvis" was a unique highlight of the show. Three skits performed by Kenneth Nance, John Simmons, and Paul Ridenour added laughs to the show. Wendy Martin's ventriloquist act, and Joe Saba's imitations entertained the audience.

55 students performed in the finale, entitled "There's No Business Like Show Business." Ms. Tissa Foley and Mrs. Janet Gerard worked very hard preparing to make the N.F.L. talent show a big success.

# *Bryan Adams Students Prepare for Largest Tournament in State*

Wearing suits, ties and dresses, students from 65 schools in Texas and Oklahoma invaded the halls of Bryan Adams. It was the first day of the National Forensic League Tournament.

The tournament, which is acclaimed as the largest tournament in the state, was held on the 3 and 4 of February and contained such events as debates, duets and orations. With the help of tournament directors Glen Farris and Joe Wyman and other Bryan Adams students who gave up their free time to act as hosts, hostesses, timekeepers and errandrunners, the tournament ran smoothly.

Saturday evening after the competition was over and the votes were tallied, an assembly was held to present award trophies and ribbons to the outstanding students. As they began leaving, relieved but proud Bryan Adams N.F.L. members breathed a sigh of relief.

## *Cothurnus Playhouse* *Makes a SM • A • S • H*

Again, as in years past, the Bryan Adams Cothurnus Playhouse proved to be a great success. This year the play "MASH" was presented to enthusiastic crowds on Dec. 1st and 2nd. The light comedy of the play is situated in Korea during the war and among the many roles were Tom Monks as Hawkeye, Mark McKinnon as Duke, David Roberts as Trapper John, and Shari Harris as Major "Hot Lips" Hoolihan. Although the play suffered several technical mishaps, such as a smoking electrical prop, this simply added to the light-hearted atmosphere the characters created. With Grace Clay directing, exceptional performances were given by all of the cast.

## *Two Enchanted Evenings at B.A.*

On February 17th and 20th, the Bryan Adams auditorium was turned into a World War II military base on a South Pacific island, in the production of "South Pacific." The musical was presented by the fine arts departments, under the direction of Mr. Colton Erwin, Mrs. Grayce Clay, and the student directors, Mark Mckinnon and Kevin Marshall.

Kim Whitten, John Simmons, Barbie Williams, Steve Ashmore, Donna Ball, and Paul Ridenour played the leading roles in the musical. Members of the B.A. Concert Choir acted as military personnel, nurses, and French natives.

The B.A. Orchestra provided the background music, as the Key Club provided the refreshments during intermission.

## *New Fashion Awareness Comes to B.A.*

The past year has brought to us the "soft" look of many forgotten materials. Silk, satin, velour, angora and wool all appeared in clothes this winter. "Layering" clothes came back, but in a loose way with cowl necks, shawls, dresses and the "peasant" look dominating the scene. Boots, pants and the everlasting jeans still remain. For guys, handsome sweaters and flannel shirts maintained the fashion, and the tennis shoe was also popular.

As winter progressed, ski jackets with lift tickets still intact, and ski sweaters were status symbols for lucky skiers. A popular item in girls jewelry was the stickpin, with a wide variety of styles. Clutch purses and monograms of all types were seen everywhere along with strappy sandals and "combs" for the hair.

## *New Students Adjust to a New Life*

America the "New World"; few people refer to America as the "New World" today, but that is exactly what it is to B.A.'s new foreign exchange students. These four excited students came to the United States expecting cowboy boots and western hats but found something quite different yet still quite exciting. Par Rengard, Heliivi Helin, and Jan Erich Rundborn, from Sweden, and Kim Michael Sjostrom, from Finland, have various interests and hobbies such as skiing, tennis, sailing, swimming, snorkeling, and horseback riding. All four are quite active in school clubs and activities and have made many outstanding accomplishments in both. These lively students have admitted that living in Texas and attending Bryan Adams has become an experience they will long remember.

Jan Rundborn can always find time for a friendly conversation.

## *Early Practice Leads to Later Wins*

Practice portrays an important part of being a Bryan Adams athlete. From dawn to sunset one can see a participant practicing even before school opened on August 29. On July 25 the football players began practicing as a group in the morning and again in the afternoon without the supervision of the coaches. They also had an individual schedule to follow the entire summer and many also worked out at Nautilus. On August 15, the coaches began working with the athletes. The participants of football practice in their entire gear everyday except the day before the game when they practice in shorts. The Bryan Adams athletes have shown a great desire for competition and glory by practicing with an intensity never seen before.

## *Cougars Split Non-District Openers*

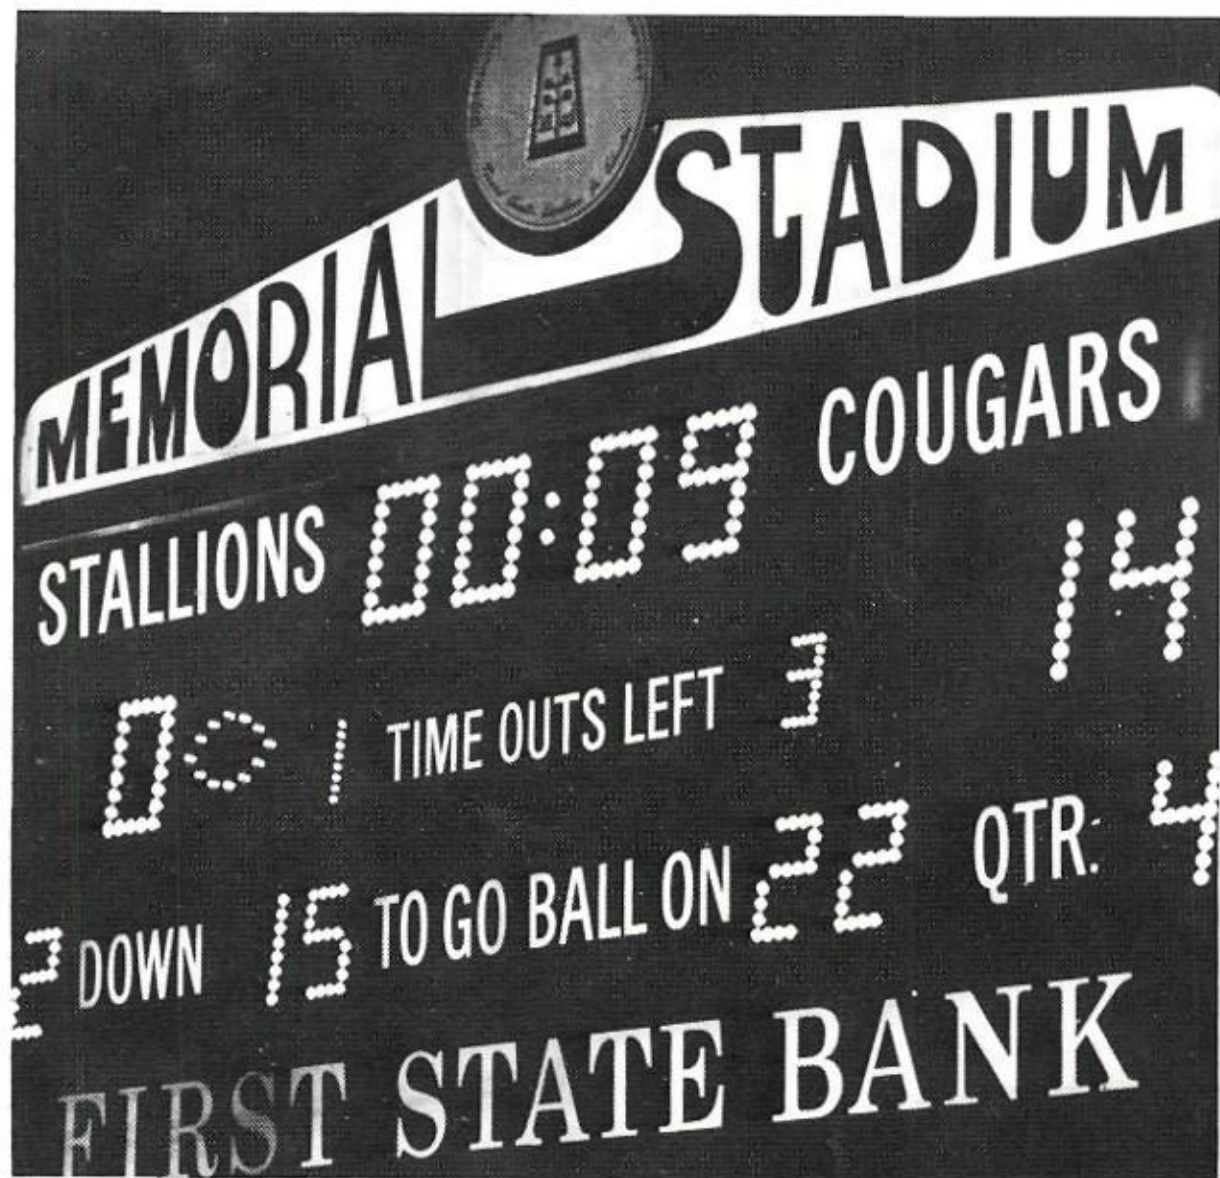

Through two games in the 1977 season Bryan Adams managed to thoroughly confuse the critics as to their potential in District play. Picked sixth in district, the Cougars looked awesome in a 14-0 win over District 10-AAAA preseason favorite North Mesquite. Joe Self put the Cougars on the board first in 1977 with his Touchdown run and Rusty Hill accounted for the other TD on a quarterback keeper. The defense plagued the Stallions throughout the night with their formidable rush.

A week later at Forester Field the Cougars met the high-powered Garland Owls in the second big game of the year. Through three quarters the Cougars simply out-hustled the Owls. But in the fourth quarter the Owls finally broke through for a 26-13 victory. The game looked to be a good warm up to prepare for W. T. White and the District opener.

## *District Openers Provide Ups and Downs*

The Cougars journeyed to Loos Stadium to play the W. T. White Longhorns for their first district matchup. This game proved to be the most unusual played during the '77 season. The Cougar defense did such a good job of stopping both the running and passing attacks that the Longhorns were forced to punt often. The only score came in the third quarter when, on fourth down, White's center snapped the ball over the head of the punter and out of the end zone, putting a safety and 2 points on the scoreboard for Bryan Adams.

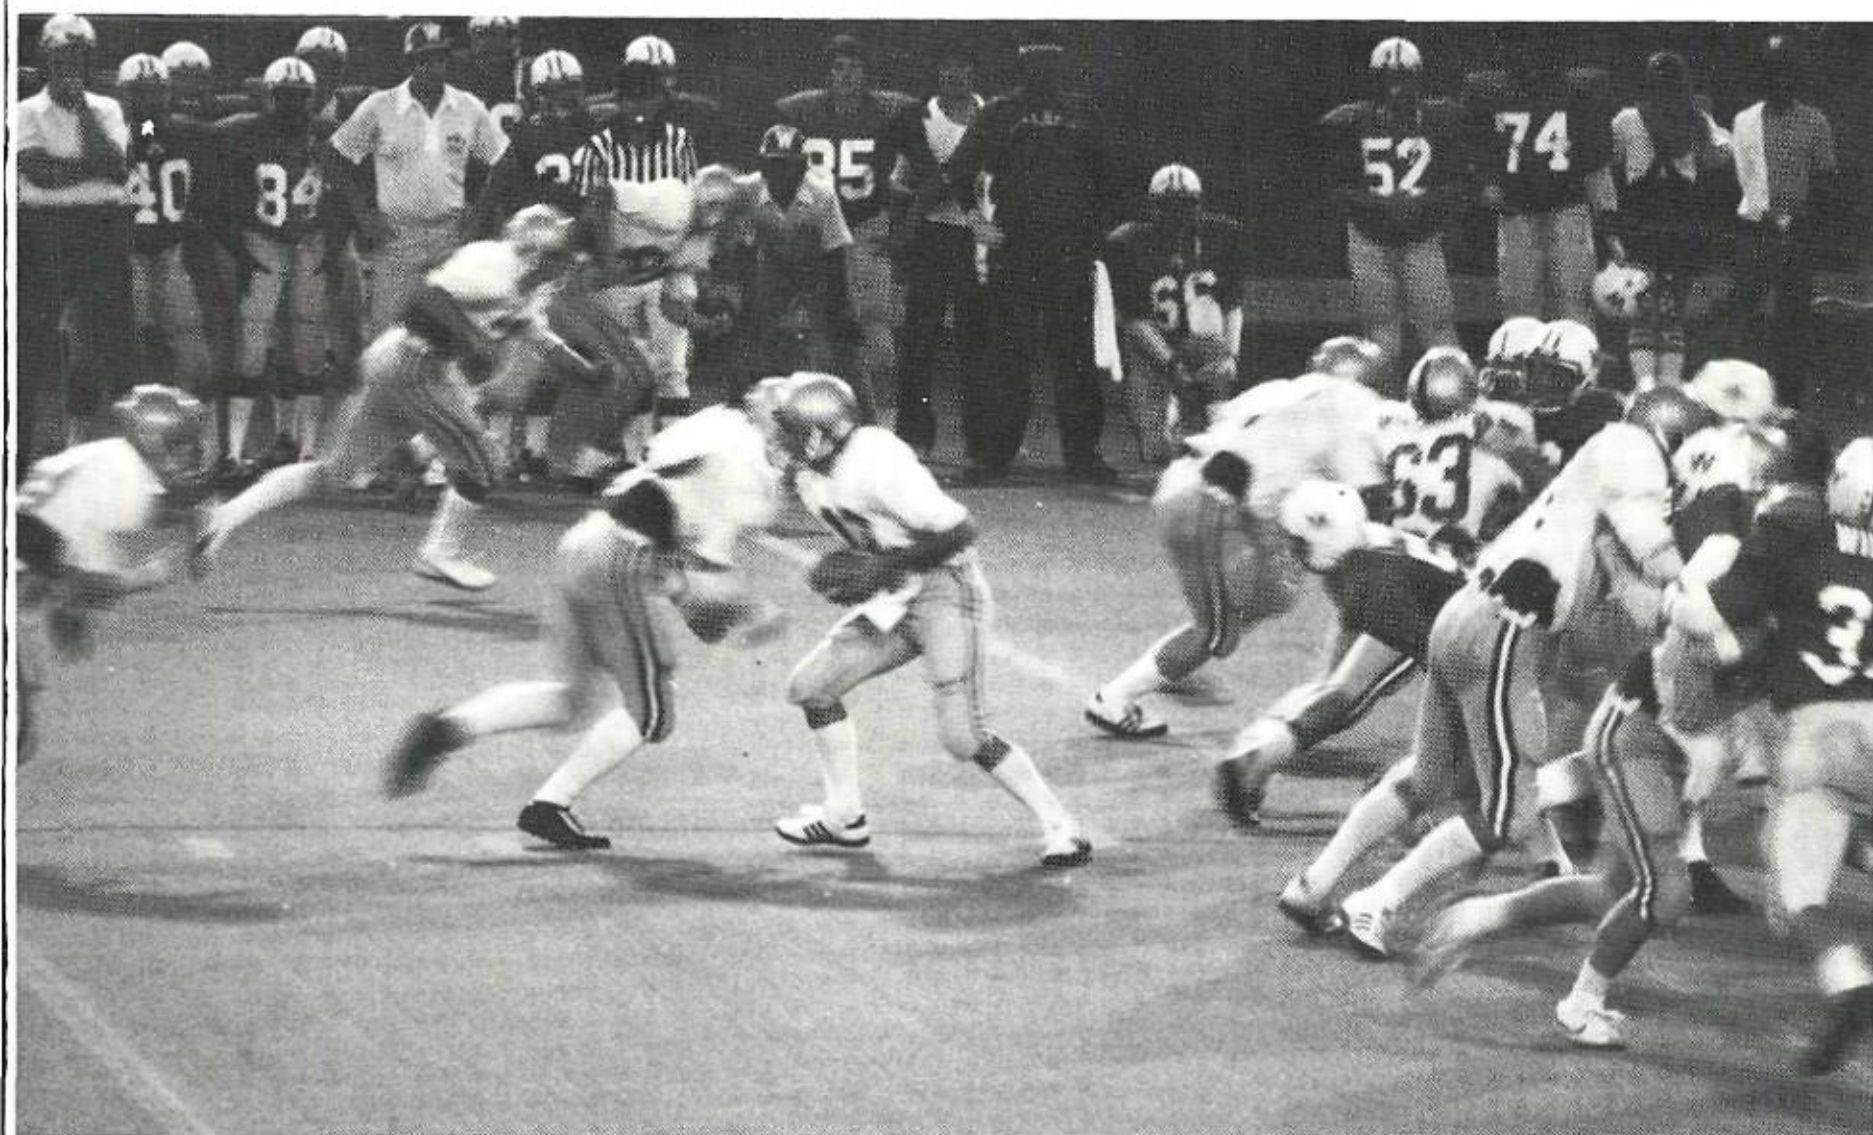

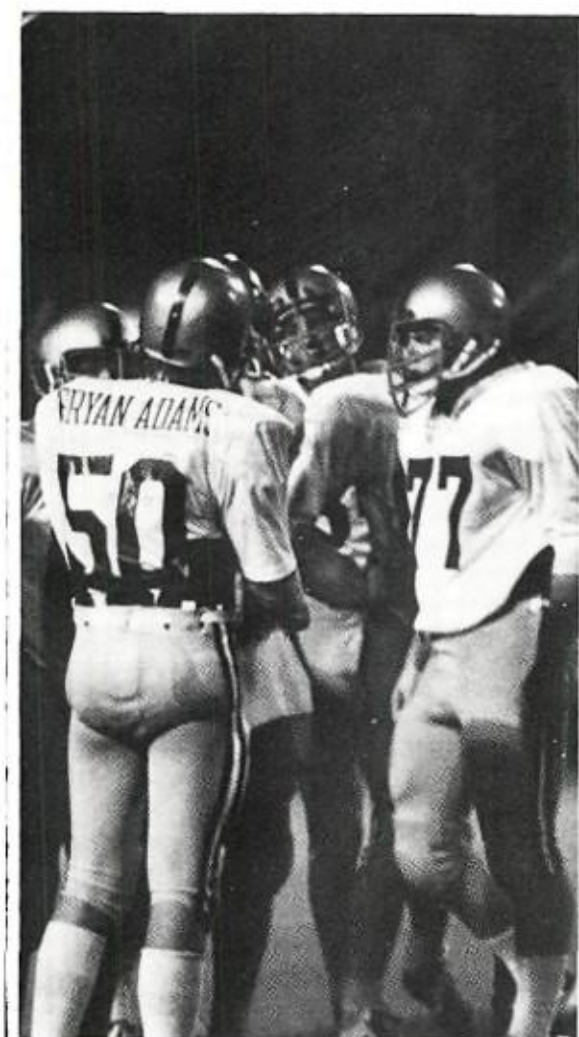

In the second district game, the vicious Bryan Adams defense, led by Larry Waite and Mike Ellis, held Woodrow Wilson to one first down and 35 yards total offense in the first period. Quarterback Rusty Hill attacked the Wildcat defense, driving 80 yards for a touchdown in just 6 plays. Hill connected on 3 consecutive passes on the way to the goal line, the last being a 42 yarder to flanker Rene Strong with 6:52 remaining.

## *Winning Continues Against Hillcrest and Lincoln*

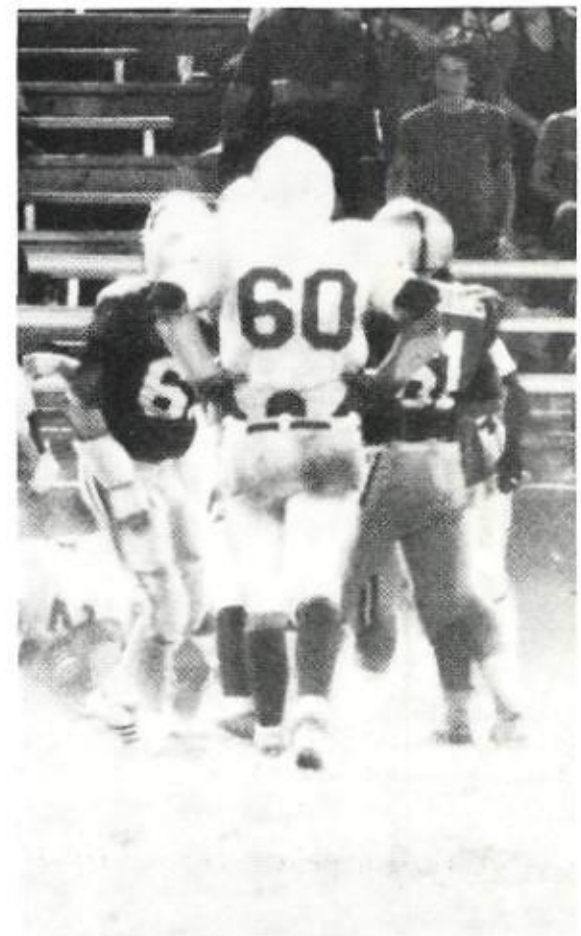

Holding Hillcrest to only 90 yards total offense and one touchdown, a hard-hitting Cougar defense led by Michael B. Ellis, Robert Guinn, and Larry Waite captured the second district victory, 13-7. Bryan Adam's explosive offensive line set the tempo for the game, as Billy Joe ran 11 times for 54 yards and B.A.'s first touchdown. Chuck McCarley provided a blocked punt which Kieth Hall carried into the end zone for a 13-0 half-time lead.

B.A. cashed in on four pass interceptions and four fumble recoveries to crush the Lincoln Tigers 29-0. The first Cougar score came in the second quarter when Daniel Windham trapped the Lincoln punter for a safety. District victory number three for the Cougars was highlighted by a 279 yard rushing game and 45 yard pass play to Brady Davis.

## *Cougars Roar to District Lead*

"District Fever" suddenly became a well-known word around the halls of B.A. as the Cougars ripped T.J. 20-6. Then easily got by a pesky Samuell team 14-6 to gain sole possession of first place in district. In the T.J. game the Cougar defense was almost impenetrable in the first half as they only allowed two first downs and twenty yards offense to the hapless Patriots. Meanwhile, Joe Self and Scott Boren teamed up to give the Cougars a 13-0 half-time lead. Boren went five yards for the final score.

A week later at Forester Field the team was different but the result was the same: another win for B.A. The Cougar offense was impressive, rolling up 320 yards total offense. Samuell scored first but two quick scores put the Cougars back on top to stay. Scott Boren went 33 yards for the first score and Scott Scribner went 22 yards for the tiebreaker. Rusty Hill went in for the two point conversion to cap the scoring at 14-6.

## *Cougars Rally to District Title*

Bryan Adams did what it takes to be a winner this year, rally when all seemed lost. Cross-Freeway rival Skyline was the last team that stood between the Cougars and their first district title in eight years. That one team proved to be the most troublesome. The Cougar defense, as it always did all season, rose to the occasion and shut the Raider attack down to only 7 points. Meanwhile the sporadic offense continued to flounder throughout the game. Finally with 1:55 left and the title on the line, the offense rose to the occasion. Penalties and Joe Self runs put the Cougars on the five, and with 40 seconds left Self went over from the five. An ecstatic BA crowd waited in breathless excitement and then exploded as Rusty Hill chipped through the extra point to tie the game at 7 and insure the Cougars the title.

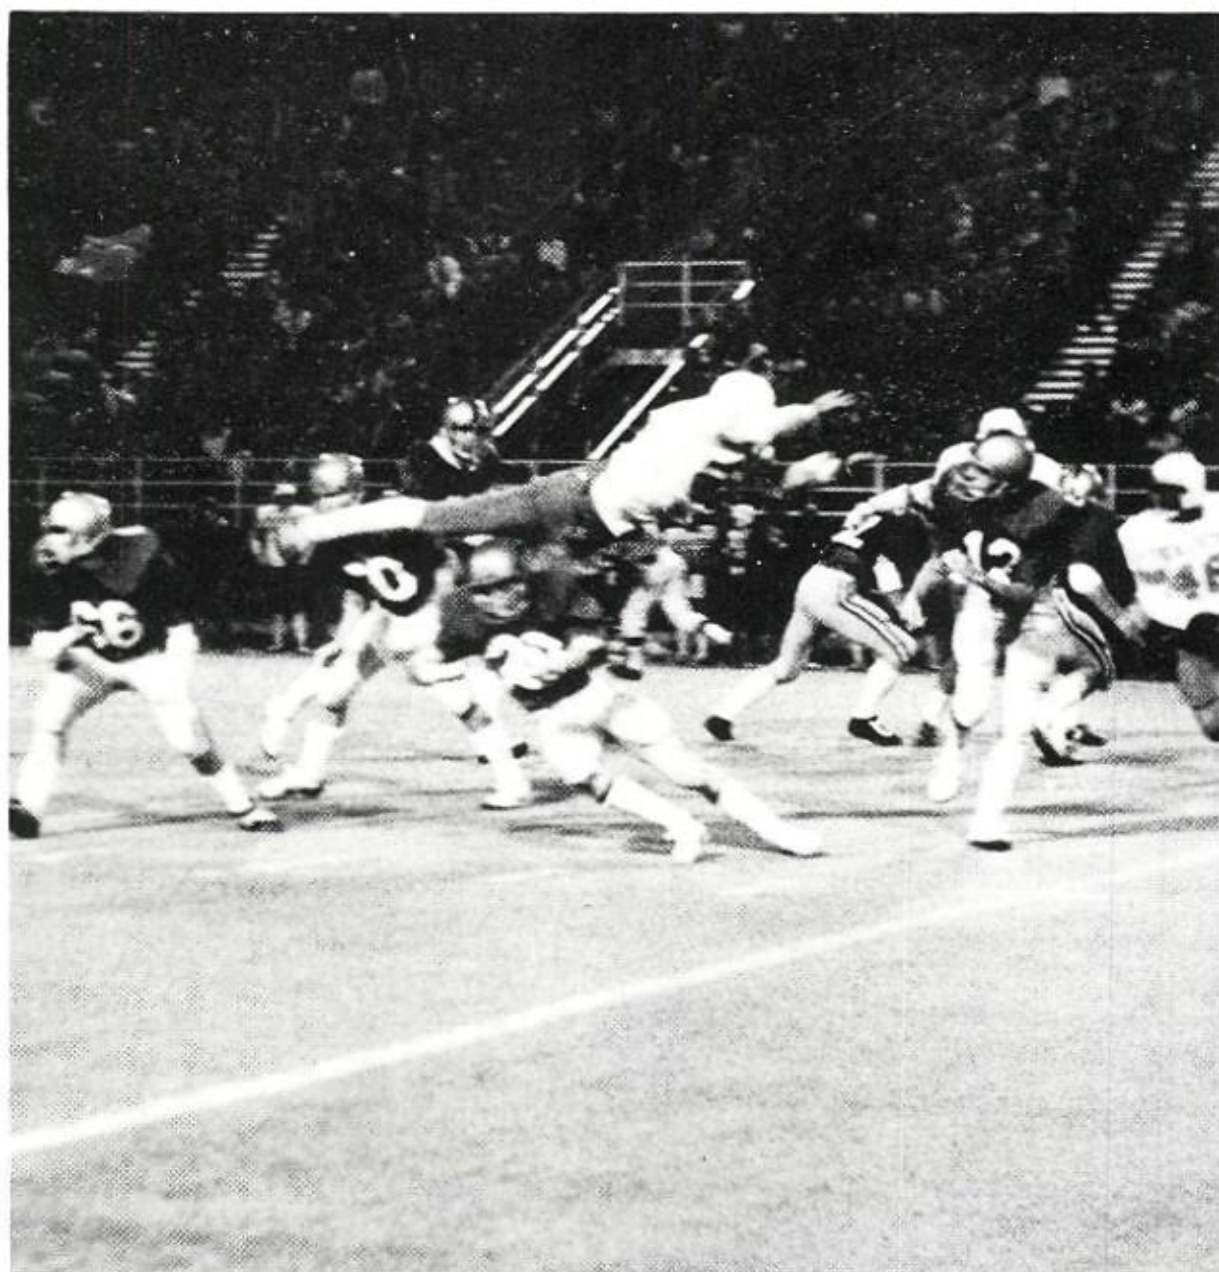

The week before against Spruce the offense again proved sporadic, but potent. The offense put 13 points on the board while that ever present defense recorded another shutout.

## *Cougars Fall to Mustangs, Maintain District Title*

Bryan Adam's football season finally came to an end in the city championship game at the Cotton Bowl as the Cougars lost to Roosevelt 6-0.

For the first time in the season Coach Jimmy Don Hunt added the big pass play to a predictable running attack featuring all-city talent Scott Boren, Joe Self, and Scot Scribner. All-city quarterback Rusty Hill courageously put the ball up in the air only to have four passes intercepted by a stingy Roosevelt defense.

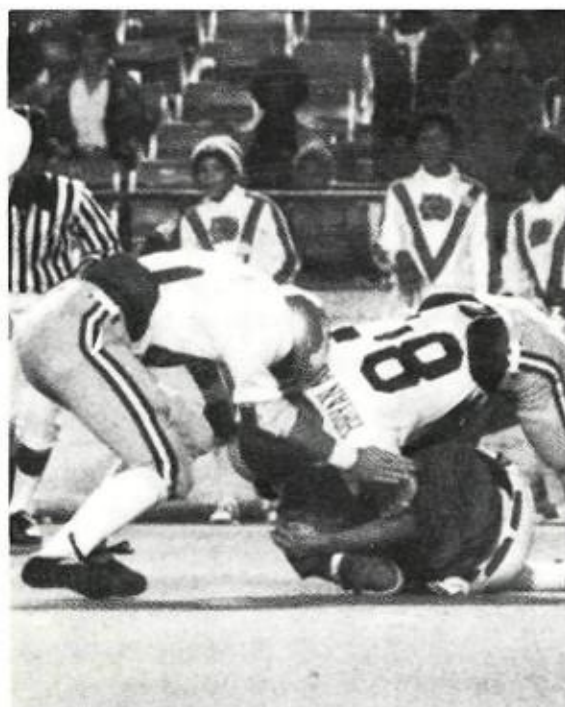

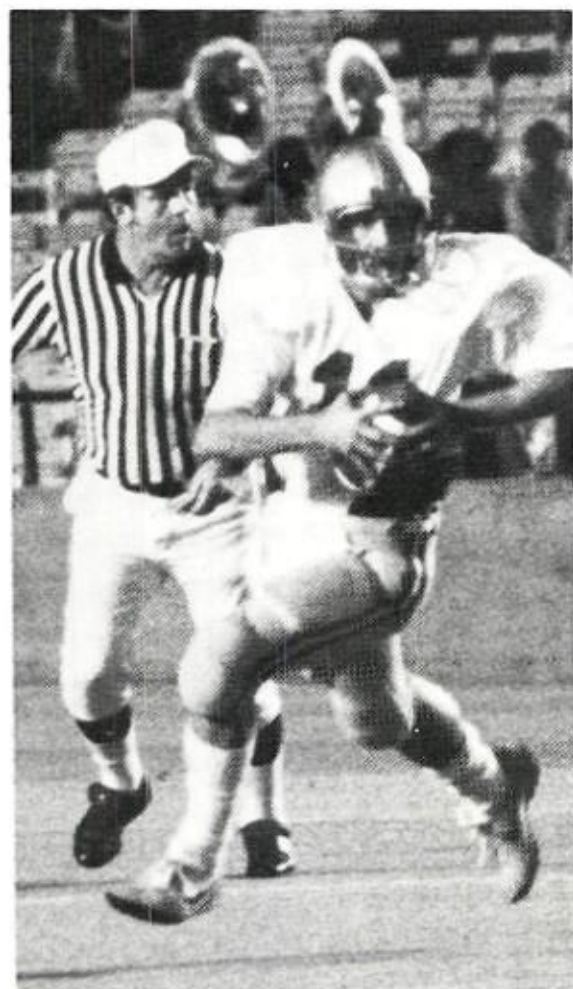

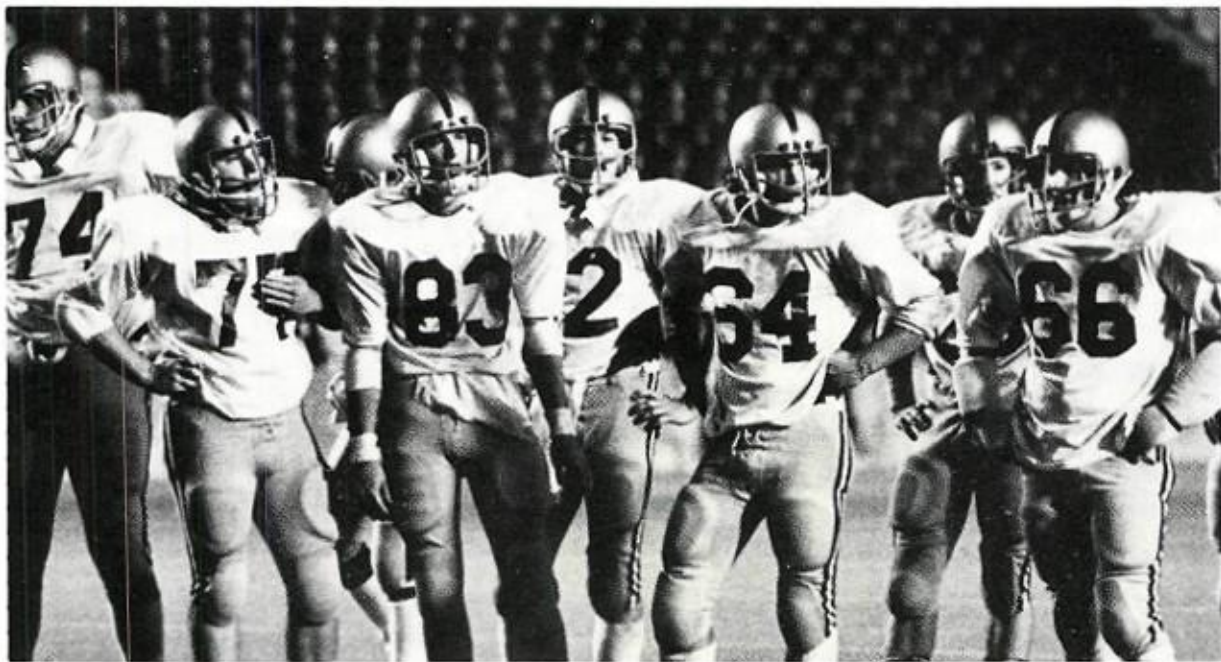

One such interception set up the game's only touchdown, as Hill's toss intended for Rene Strong late in the first half fell into the hands of Roosevelt's Mike Barrett. Roosevelt then took five plays to punch the ball in for the game's only touchdown, 6-0.

In the fourth quarter, BA made one final attempt as senior Steve Ashmore scampered 54 yards to the Roosevelt 36 yard line. But from there the Cougar's light went out as Ashmore was thrown back to the 47 yard line.

## *Junior Varsity and Freshmen*

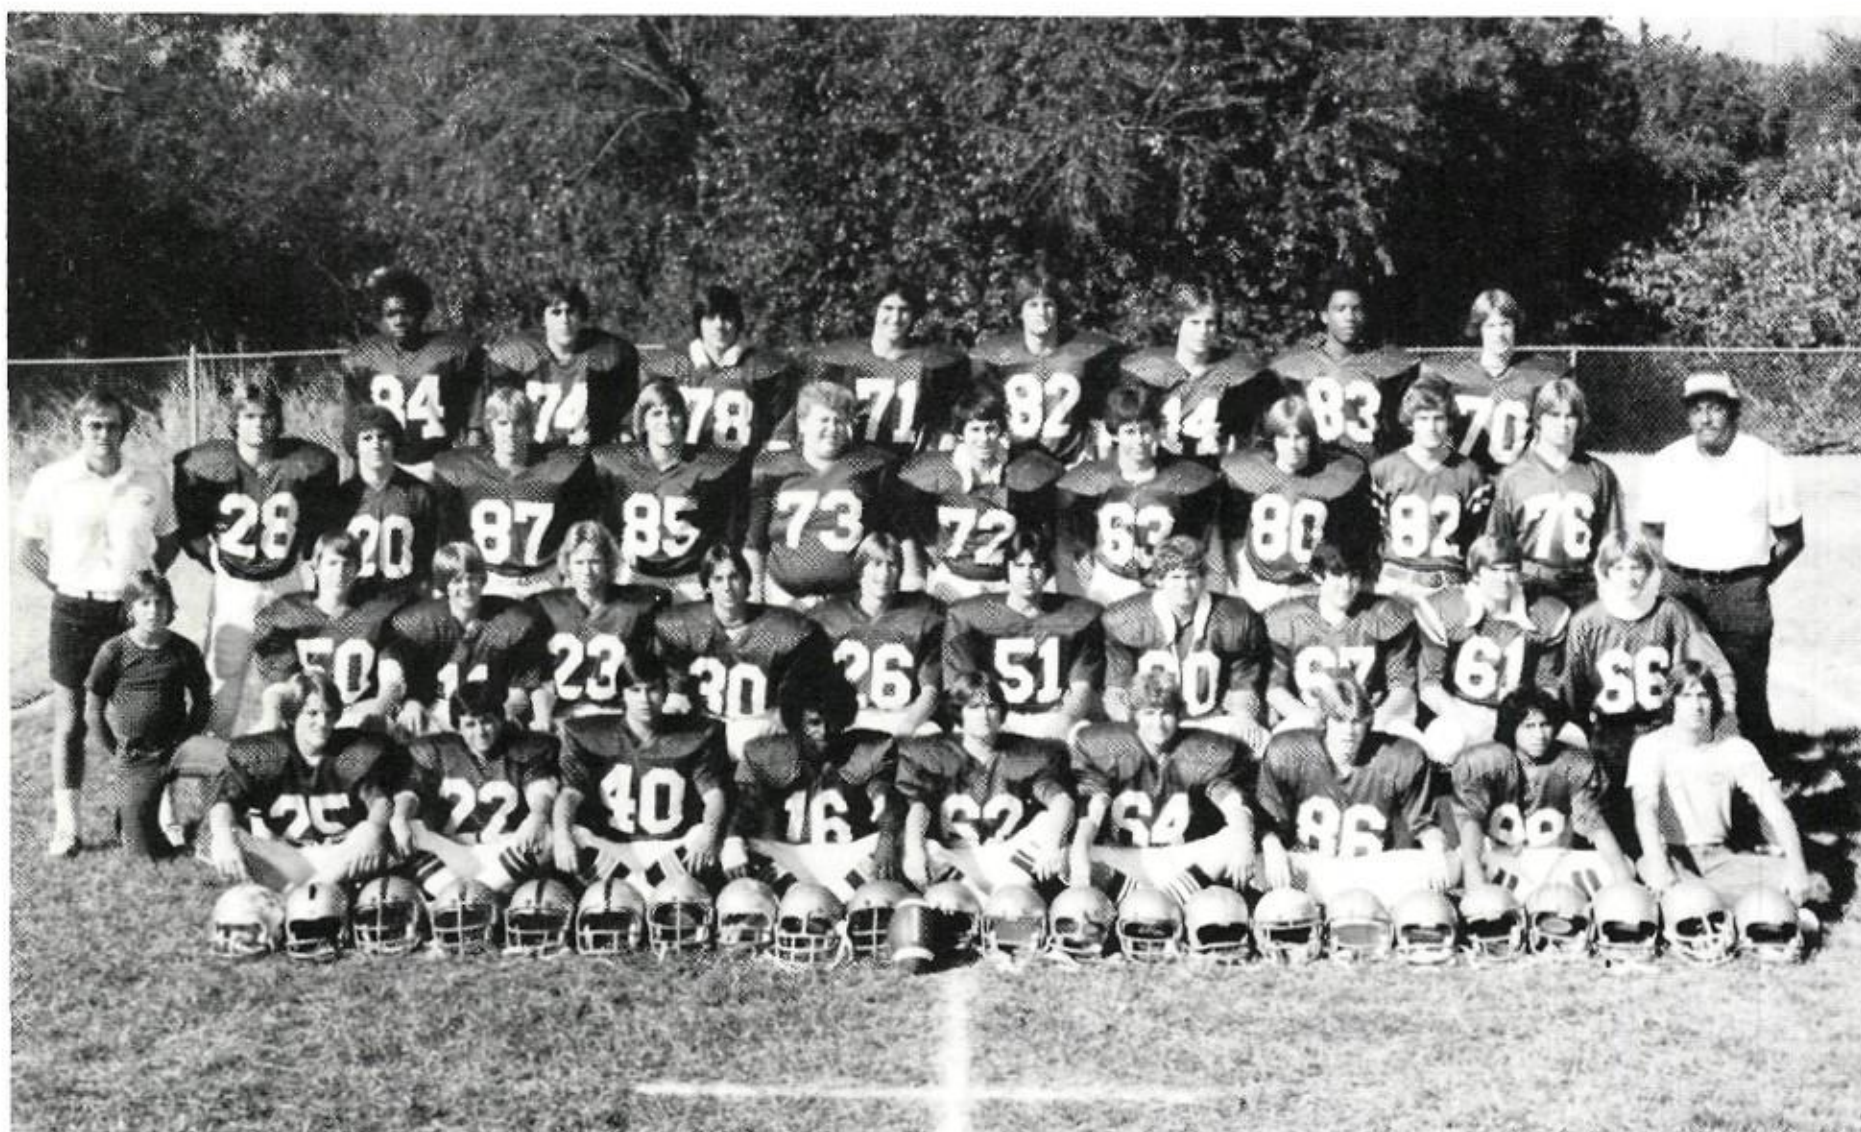

### *"You Got to Have Heart"*

Junior Varsity football brought Bryan Adams back down to earth as the J.V. teams both suffered losing seasons. The J.V. season was best described by Coach Larry Covin when he said, "We always showed up and were always on time."

The White J.V. failed to follow the example set by the Varsity as they finished with a 2-7-1 record. The season was not a total loss because the White J.V. came together as a team in the final games especially with the team's performance against Skyline holding them to only a 7-7 tie.

The Green J.V. learned more about the game of football this year than they ever thought possible. The Green J.V. struggled to an 0-10 season record.

Freshman football brought B.A. more hope for the future as the Frosh closed with six straight wins. Under the leadership of coaches Bill Hitt and Mark Giddens, the team finished in second place at 6-3.

## *Girls Volleyball Nets District Title*

The girls' varsity volleyball team captured the district title by rolling over all opponents. The team, coached by Elsie Moreno, was undefeated in district play and the district championship tournament which was a first for the volleyball team. The first and only loss came from South Oak Cliff at the city championship. The team also traveled to the Wills Point Tournament where they obtained first place. Barbara Tadlock and Amy Hakert received all-district honors while Amy also captured the title of most valuable player.

The Junior Varsity was also undefeated during district play but fell to Skyline in the district championship tournament. The girls, coached by Muddy Moxley, felt their stiffest competition to be S.O.C. The J.V. team traveled to the R. L. Turner tournament and won their first match.

## *Soccer Sets Goal for City*

Once again this year, the Bryan Adams Soccer Team, coached by Bill Flagg, were in strong competition for a City Playoff. In the past seasons the soccer team has always fared well, but this year's team is even stronger than those in the past.

The team relied on its strong defense and explosive offense to carry them this year and evidence of the team's success can be found in their undefeated record throughout the season. Playing in a very competitive district, the team's well discipline was tested often this year.

The team was led by Captains, Kelly Cooke, John Looper, David Miller and Fred Urias. With these players and others the Soccer Team completed another successful season.

The Junior Varsity, after winning city last year, represented the Cougars very well again this year with a strong District finish. No matter what the finish, the soccer spirit will continue at Bryan Adams.

## *Girl's Soccer Team Captures City Title*

Under the leadership of Coach Pat Byrd, the girl's soccer program at Bryan Adams became successful. The team played outstanding; winning both district and city. The captains for this year were: Monica Barganier, Leo DeLaLastra and Kathy Martinez. This year's captains sparked the team consistently, especially in the playoffs.

The returning seniors and developing underclassmen were solid from the forwards to the goalies as shown all year. The Cougars were a victorious contender throughout the year.

## Cougar Varsity Takes District Title

A determined young varsity basketball team, coached by Ralph Zeitz, made up in hustle what it lacked in size. The Cougars started out slow during district play but burned the eye out of the net at the finish to win the District Tournament over Skyline. But even with momentum and a full house of supporters at Loos, the team couldn't stop powerhouse Roosevelt as B.A. was soundly defeated.

Captained by senior Randy Hardin, senior Todd Williams, and junior John Wardell, the Cougars first showed talent by placing second at the Garland Invitational. At the Dr. Pepper Tournament Skyline edged the Cougars with a score of 65-64. Honors of players included; Hardin being named All-Tournament at Garland, Chris Bybee was voted Most Valuable Player in district, and Hardin was placed on first team of District 11-AAAA. Bybee had the hot hand all through the play offs and was the dominant factor against Skyline.

## *Cougars Lay-Up for District Lead*

Coach Muddy Moxley began this year's season with a young team which had virtually no experience working together as a team. Last year Moxley coached the J.V. team but this year was promoted to varsity coach and she also introduced new training techniques to the team. Competing in the Arlington Classic and placing fourth in the Bishop Lynch Tournament the girls gained experience which enabled them to place second at the Dr. Pepper Invitational. The roundballers were defeated by the Sunset Bisons with a close score of 44-41. Freshman Jenni Edgar and Captain Neakita Collins were chosen for All-Tournament Honors in the Dr. Pepper Invitational. From there the team went on to win the District Tournament against Lincoln although they lost to South Oak Cliff at City.

Coach Moreno worked hard with the J.V. girls and entered them into the Bowie High School Tournament. Thus, helping the girls gain experience for next year.

## *J.V. and Frosh Build for a Strong Future*

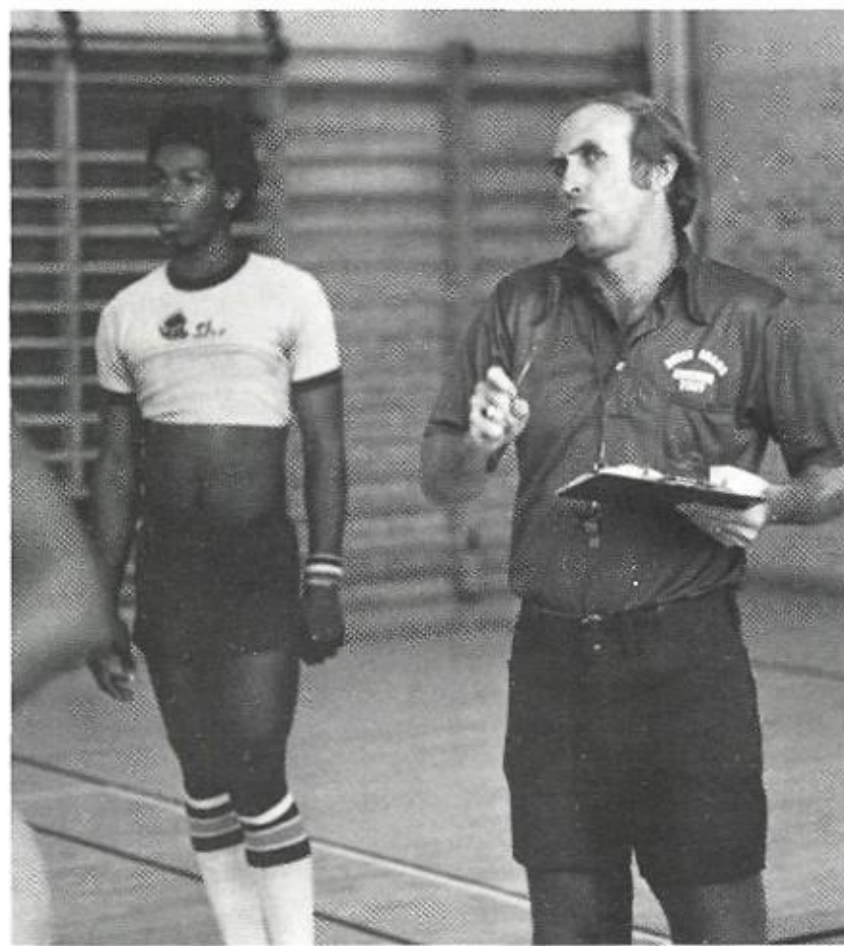

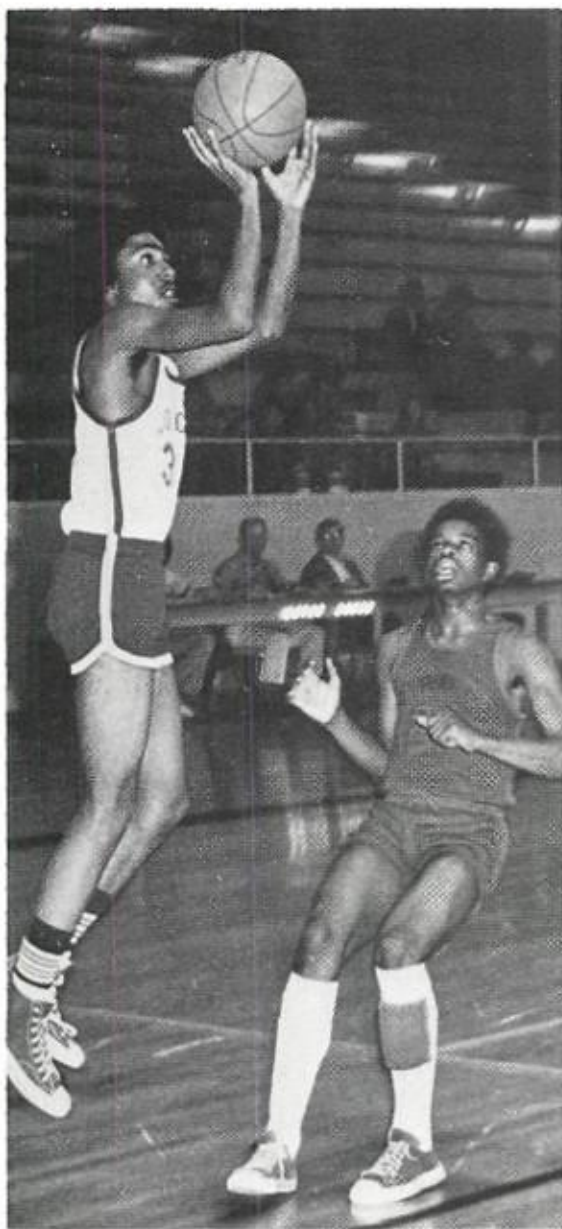

The best way to build a strong Varsity basketball program is to have a solid Junior Varsity and Freshman contingent. Coach Henry Warner who was challenged with the task of leading the J.V. taught the skills and intricacies of the game. Mike Eidson was the captain and Cary Liebrun and Curtis Castleberry averaged double-figure games.

On the Freshman team, Coach Mark Giddens pulled his team through drills and games to have a successful year. With a goal of providing competition and developing talent, each team progressed according to the coaches. A successful year to the J.V. meant participation in the Round Robin Tournament for the championship.

## Cougar Netters Volley for Victory

With over fifty people trying out for the team, Coach Fracchia had his work cut out for him but finally the teams were chosen and practice began. Many returning tennis players helped to get the 1977-78 season off to a great start. The players began practicing in the early fall and Coach Tony Fracchia helped the team get into condition for district play. In the fall the team could always be seen on the B.A. courts but later they moved to better courts at Samuell-Grand Park where they practiced and conditioned for two or three hours a day. Despite the foul winter weather, many long hours of practice were put in and sometimes in freezing temperatures.

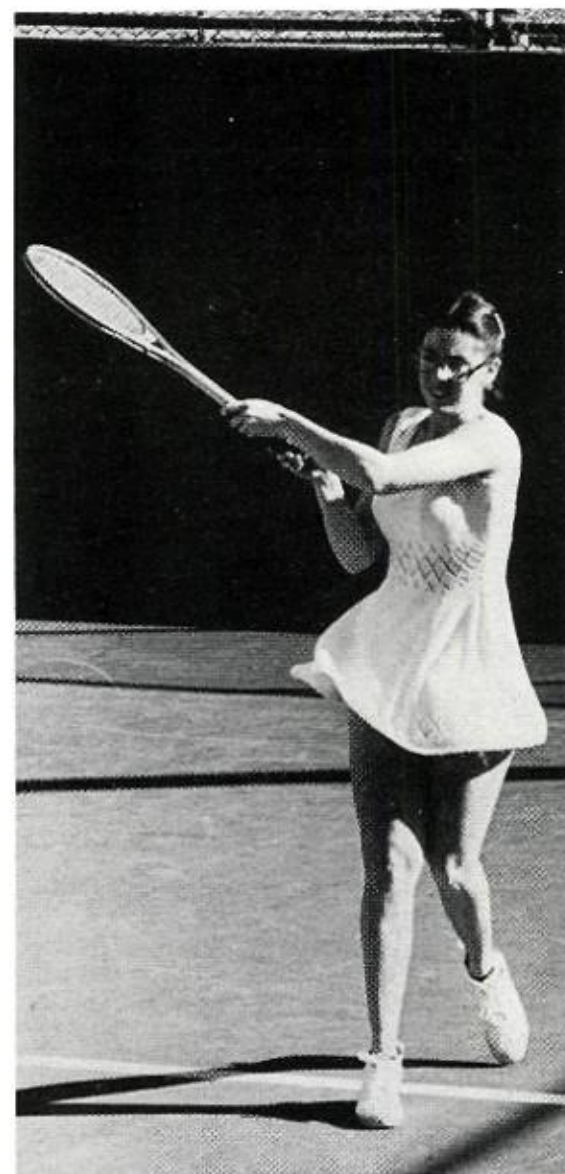

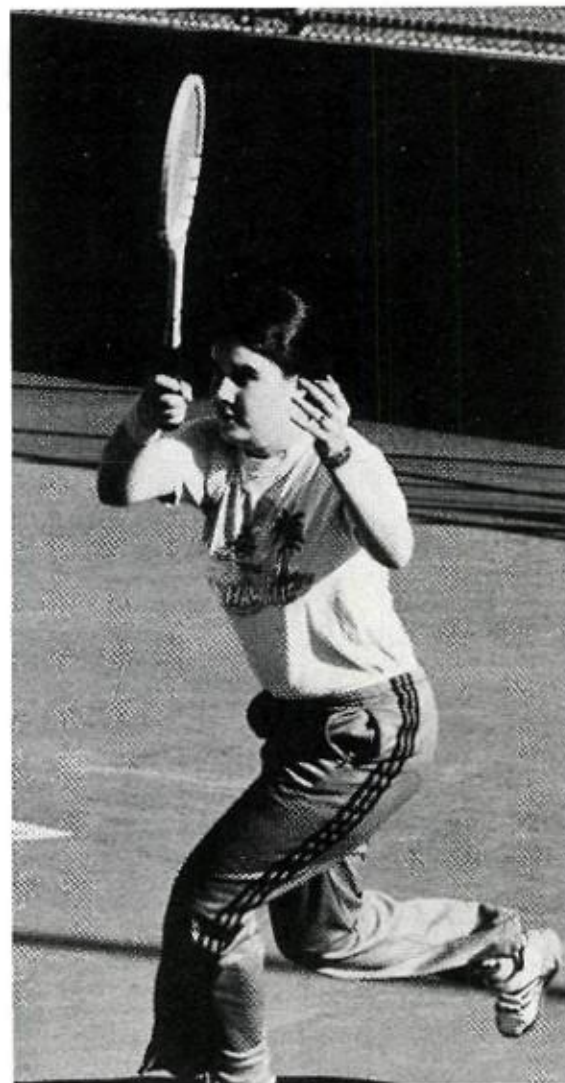

The junior varsity team practiced on the B.A. courts after school. The enthusiastic, young team practiced in hopes of playing on the varsity team next year.

## *Swimmers Capture Third Place in State*

Always a top contender for State action, the Bryan Adams Swim Team has again proved that no District foes could stand the Cougar onslaught.

Early Swim Meets proved the Cougar Swim Team was as strong as ever as preseason victories came in bundles. With their eyes set on the State Finals, the team worked daily for many long hours to prepare for this important event.

State Finals give many of the swimmers a good chance to "show their skill" as numerous college scouts are present. In the past Bryan Adams has had numerous swimmers qualify for college scholarships and this year looks to be no exception.

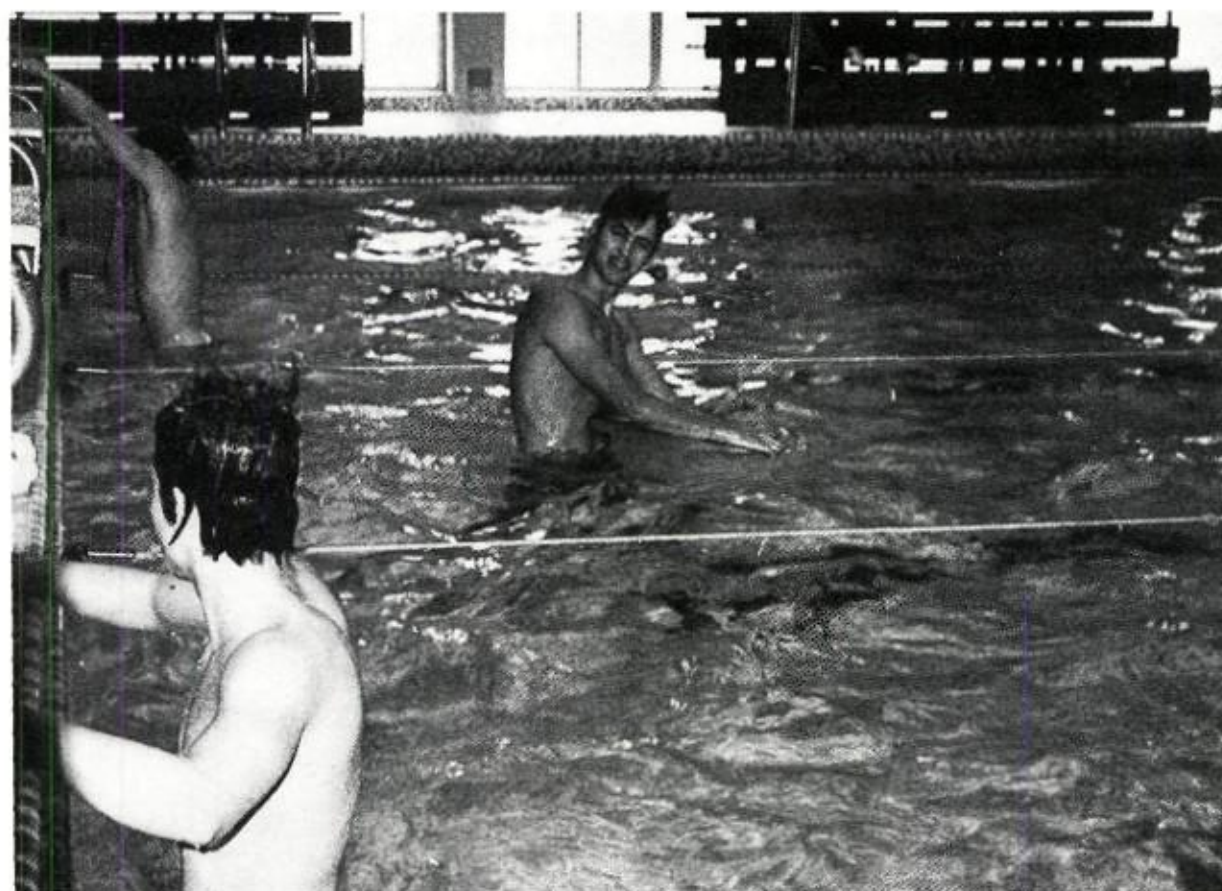

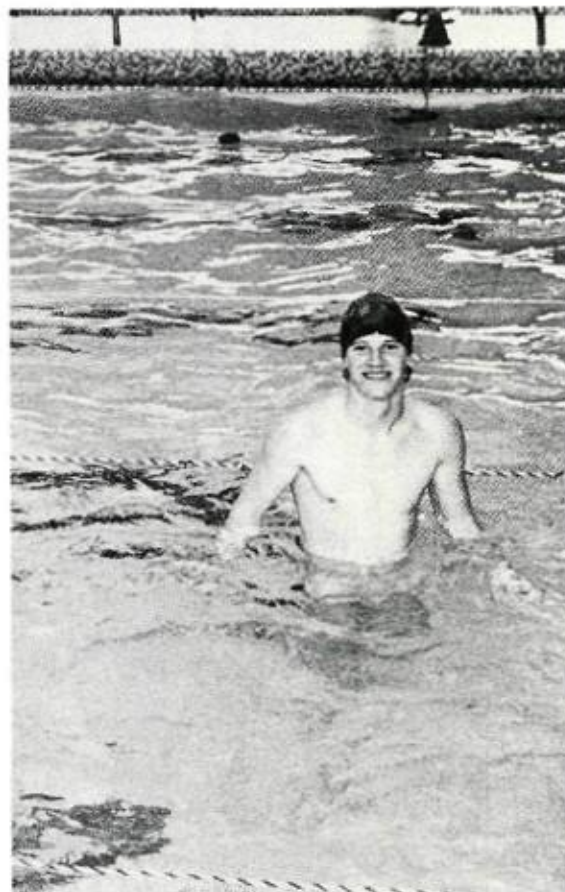

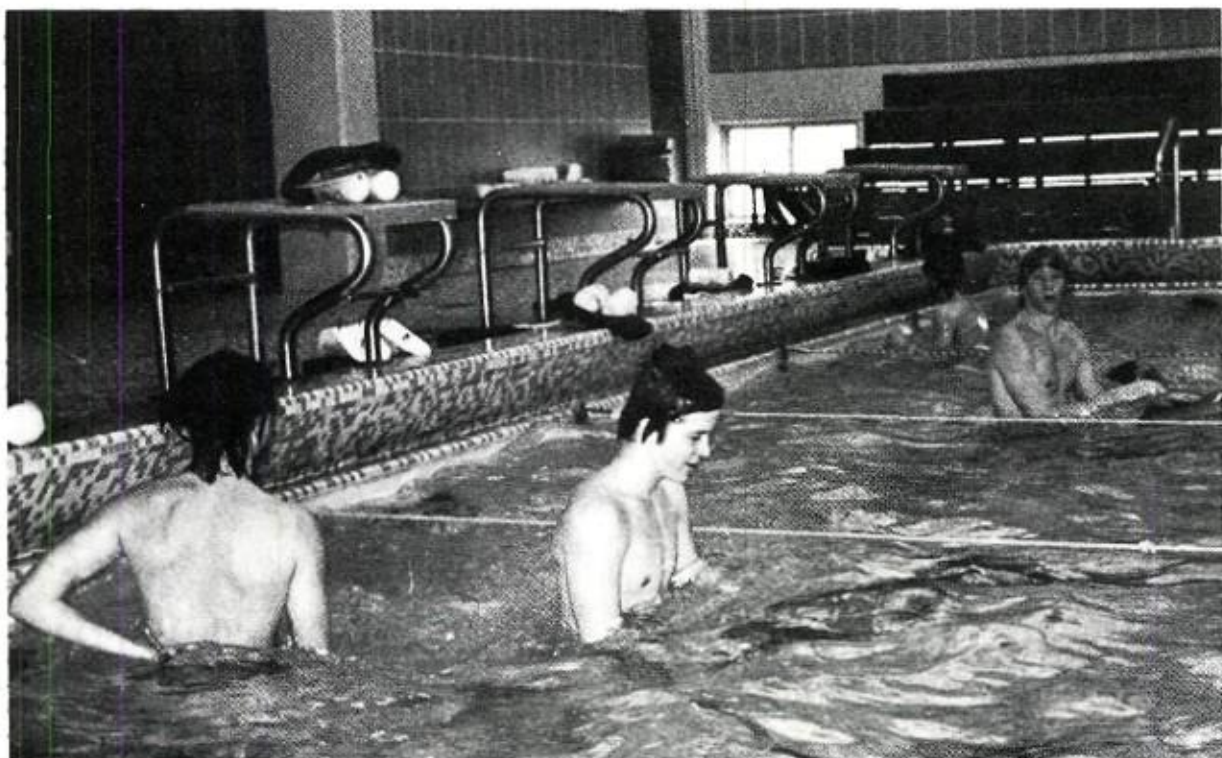

Coach Zidermanus led the swimmers to another excellent year and that fast growing swimming spirit is alive and well in the halls of Bryan Adams.

## *Girls Swim to New Times*

Hard work and dedication was the name of the game as the Bryan Adams Girls Swim Team completed another successful season. Under the leadership of Coach Austrums Zidermanus the Swim Team worked out at White Rock Pool for many hours each day.

Workouts were spent improving the team's endurance and speed as Bryan Adams continued to field one of the best prepared teams in the State. As always in the swimmer's life, the main thing to look forward to is the State Finals. This year the girls spent most of the hard work with their eyes on State Finals.

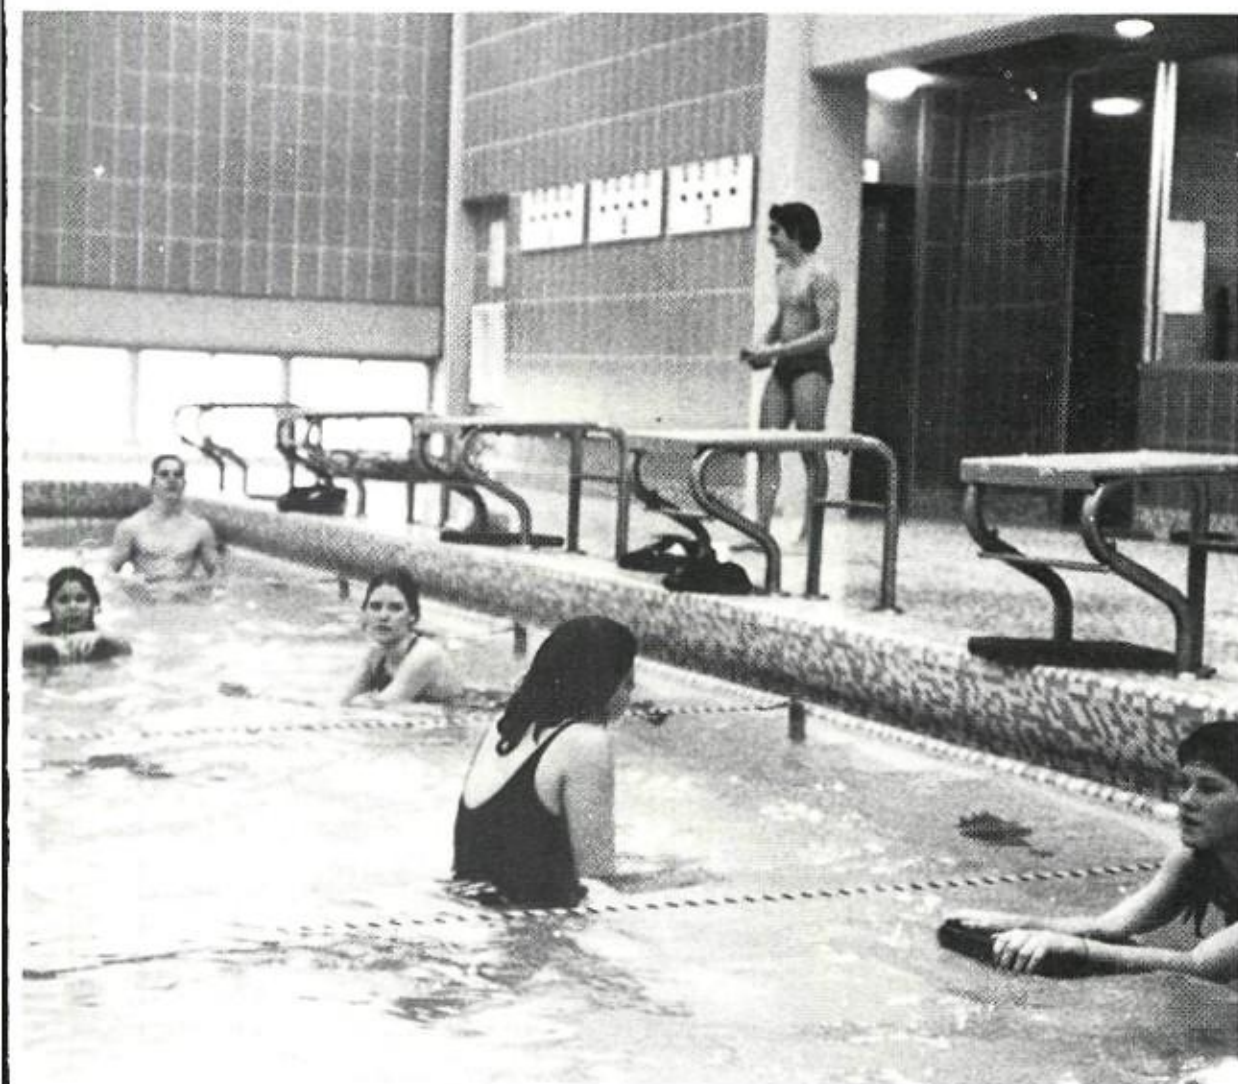

The girls' skill showed early as District foes fell and the girls ended the year on High Tide.

## *Golf Team Swings Through '78*

The Golf Team started practicing shortly after school opened in August, but because of the severe weather, they did not begin tournament play until the end of February. Freshmen and Sophomores as well as Juniors and Seniors participate in golf at Bryan Adams. The top four golfers who represented the Cougars in tournaments this year were: Seniors, Rudy Benavidez and Jeff Moreland and Juniors, John Struble and Ron Reich.

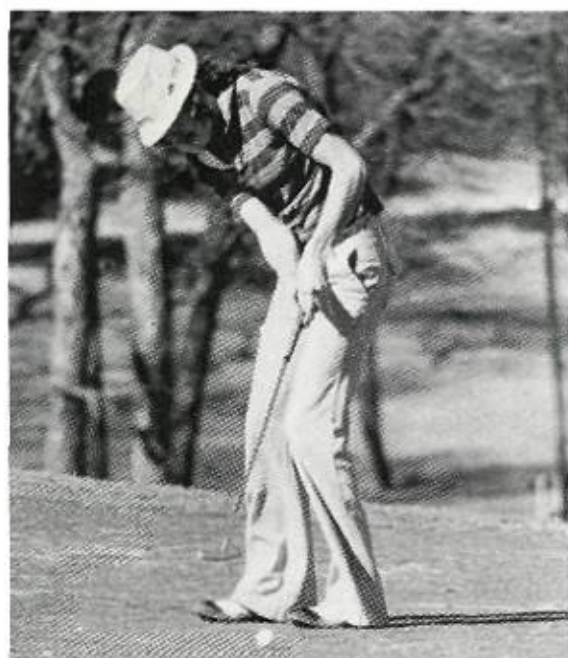

For several hours each afternoon, the team could be found practicing at Tenison Golf Course as Coach Lancaster encouraged and motivated his team to perfect their games and to improve their overall play.

## *Bowlers Strike to City Championship*

The 1978 Bowling Team was one to stand back and marvel at. The guy's and girl's teams each put in endless hours of practice time as well as time spent actually playing. All this time spent bowling really paid off as the girl's team took the City Championship with high-scoring games and coordinated teamwork. The girl having the highest season average was Cindy Marlow and the highest season average among the guys was held by Steve McHan. Bryan Adams also had the most number of players to make All-District with six. Their names are: Steve McHan, and Pat McKinnie for the guy's team and Cindy Marlow, Donna McLamore, Sonya Solomon, and Sara Neighbors for the girl's team.

## *Girl Tracksters Sprint for Victory*

The 1978 Girl's Track Team is basically a young and inexperienced group this year, but there seems to be just the right mixture of experience and inexperience present to develop a healthy track team for the future as well as for the present.

In the words of Coach Moreno, "We got a slow start because of the weather but I'm sure we'll manage to have a successful season anyway." Among the veterans from last year is sophomore Janet Redinger who excels in both track and field, as she participates in the 440 relay, the 100-yard dash, the long jump and the triple jump. Sandy Meyer also returned this year to be Bryan Adams' leading female hurdler.

On March 3 and 4, the team participated in the Southwest Track Meet, and this event proved one of their most difficult events during the '78 season.

## Track Team Runs Through Victorious Season

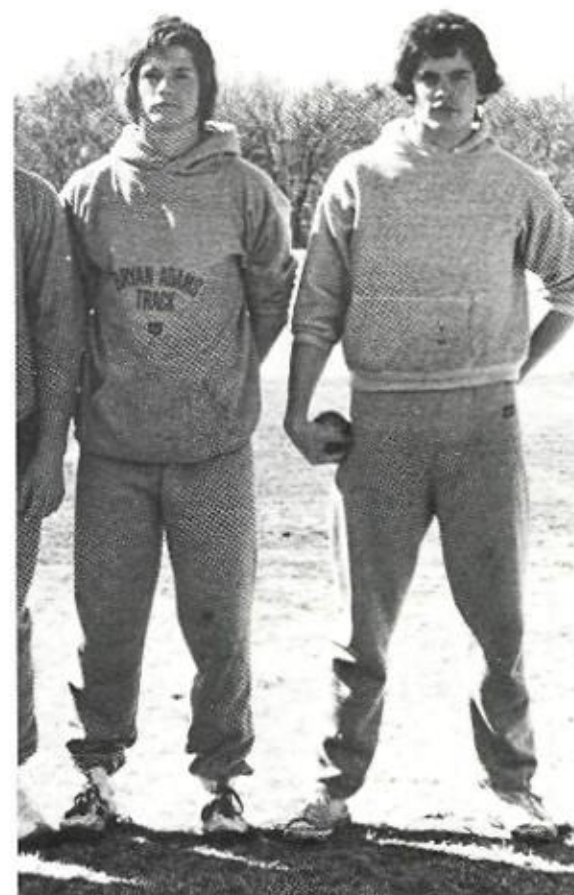

Two miles: a distance that absorbs every ounce of energy just to complete; yet the Bryan Adams Cross Country team managed not only to complete the race, but to also win the District and City Championships. In the City Meet, Senior Kenny Thurmond finished first in 9:37, while Senior Craig Pullman and Junior Ross Day also placed in the top ten. Thurmond continued on to the State Meet in Austin, placing seventh.

Self-discipline and endurance plus a flair for working out of the limelight characterizes the sport of Track. Under the directorship of Coach Bruce Land, the Track Team competed for individual and team honors. The highlights of the year included the second annual Bryan Adams Invitational, Dallas Invitational and District meets. Thurmond and Day paced the Cougar distance running efforts, while the sprinters, Senior Scott Boren and Sophomore Jeff Allen, excelled in the 440 and mile relays. Reaching great heights, the field event men proved tough competition as Pullman set new high jump standards. Pole Vaulters, Junior Jim Blagg and Sophomore Glen May challenged the city's best while clearing heights of over ten feet.

## *“Nitty Gritty Bunch” Fields Great Year*

The quality of baseball at Bryan Adams has steadily improved each year since the introduction of this sport several years ago, and 1978 is no exception to that rule as better equipment, endless hours of practice, dedicated players, and a great coach have sharpened this team to a very fine point indeed.

In spite of Coach Regelsky's continual complaints about the weather in early February, the Varsity Baseball team got together and began warming up for the '78 season. In addition to the annual rivalries and common problems, their seasoned opponents gave the Cougars an unusually tough schedule this year.

Under the leadership of Coach Dolph Regelsky and team Captains Randall Covarrubias, Rene Strong and Pepper Hastings, Bryan Adams performed with spirit and enthusiasm, again proving their school the best in District 11-A AAA.

## Mat Men Begin New Season

A new strenuous athletic event was added to Bryan Adams this year and many young men decided to test their skill at wrestling. They began practicing at Kiest Elementary last November. Practice sessions were seventh period during the season which lasted from mid-November to mid-February.

Weight plays an important role in the life of a wrestler. There are twelve weight classes although B.A. only competes in nine classes. B.A. did not participate in "television wrestling" but instead they competed in "collegiate rough-style wrestling" which demands a highly skilled, well-conditioned athlete. Wrestling is a year-round sport consisting of weight lifting, calisthenics and conditioning. The time of a match is divided into three periods with each period lasting two minutes. The wrestlers, captained by Mike Johnston and Jim Ashmore, placed fourth in district competition which is an excellent showing for a first year sport. Coach Anderson stated, "It is a sport for all people which is extremely competitive."

# ORGANIZATIONS

Organizations are the very life of Bryan Adams. Our organizations are what set Bryan Adams apart from the rest of the state.

Sr. '78

## *Student Council Takes Part in an Exciting Year*

Bryan Adams continued to keep up its reputation as an organized student government. Early in the summer plans for the school year started and continued through the year. Bryan Adams Student Council was active in setting up dates for dances, fixing the juke box, and selling supplies in the lunchroom. Homecoming was the big event for the year. Activities were planned by the Student Council and a whole week of special dress up days. At the end of the week there was the big dance. The Student Council continued to keep up the Student Bookstore, and the Student Voice newsletter. The sponsor was Bill Densmore.

## *N.H.S.: An Honored Society Strives for Academic Heights*

National Honor Society (NHS) continued its recognition of academic excellence in Bryan Adams Students. This year NHS hosted the traditional College Night on October 12, 1977. Students were able to receive information about colleges and their requirements from the various representatives. To become a member of National Honor Society, students must have good teacher recommendations, a gpa of at least 3.25, plus citizenship points, and a willingness for leadership. An important role of an NHS member was to take part in school activities. NHS selected officers every year which was one of the main jobs of the NHS. This orientation was held at the end of the school year.

With over three hundred members, Spirits once again continued its tradition of being the largest student organization at Bryan Adams. The club membership also included nineteen squad leaders and ten Senior Sponsors, as well as officers.

Under the guidance of President Cathy Chenault, Spirits decorated the halls each week during the football season. At the games they performed flash card routines and they released green and white balloons in the game against W. T. White and the Homecoming game against Spruce. Officers and squad leaders had weekly meetings with the sponsors, Mrs. Jessie Barbee, Miss Janice Pinyan, and Mrs. Sylvia Tyra.

## *Bryan Adams Band Marches Through Another Season*

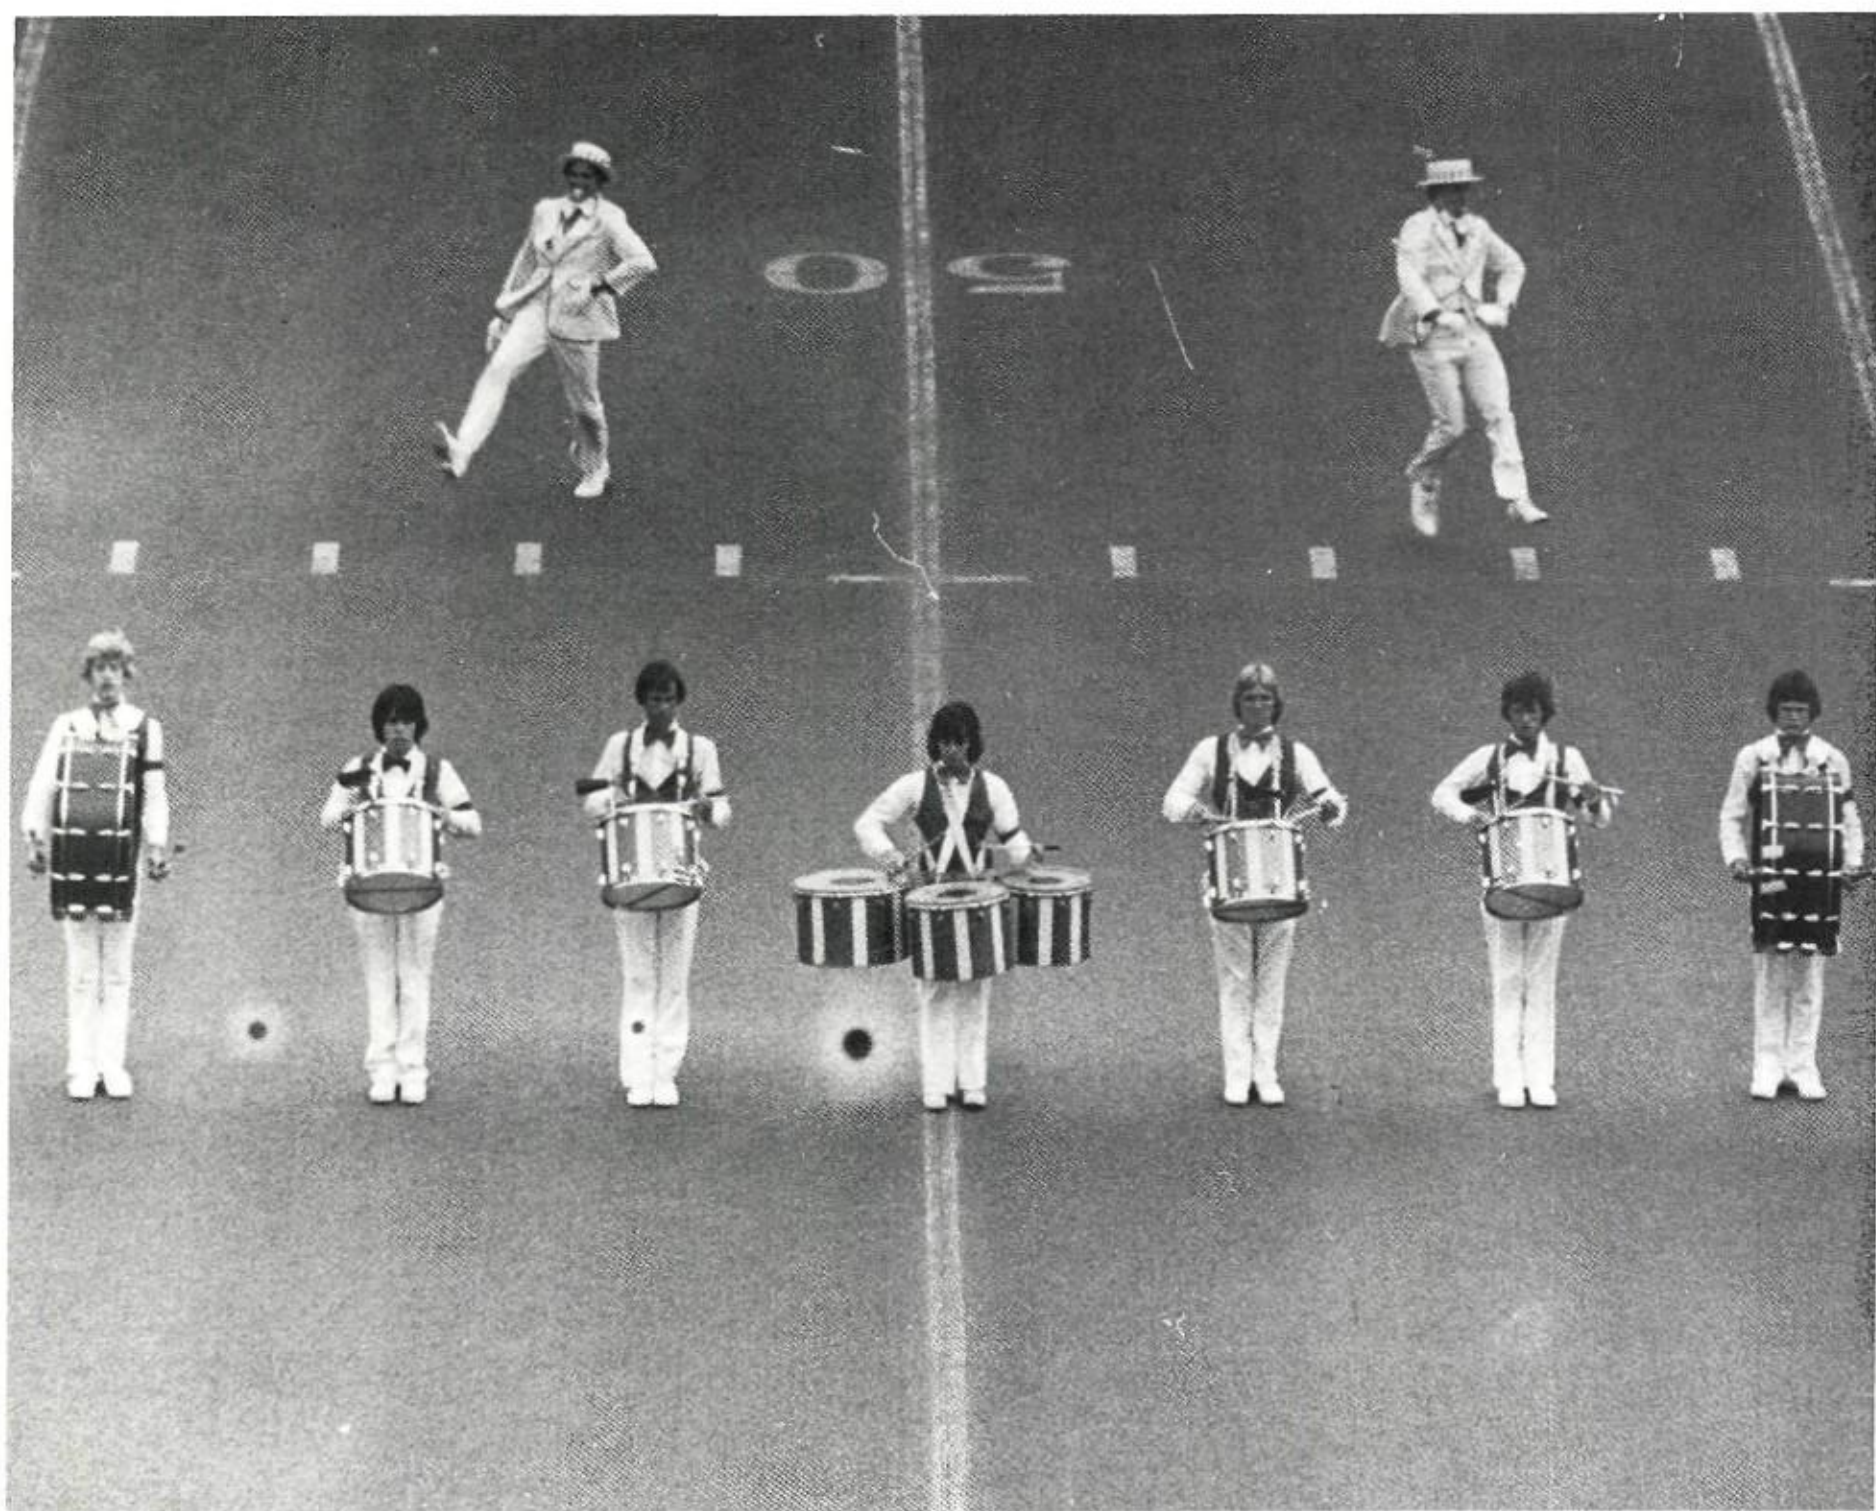

Once again the 1977-78 Cougar Band proved they were "tops" as they provided exciting half-time entertainment for football spectators. Fall was certainly a busy season for this widely-known organization.

Activities started with a trip to Houston to perform in the Astrodome for the Cowboy-Oiler game. Then to Texas Stadium to enliven the half-time at the Cowboy-Giant game.

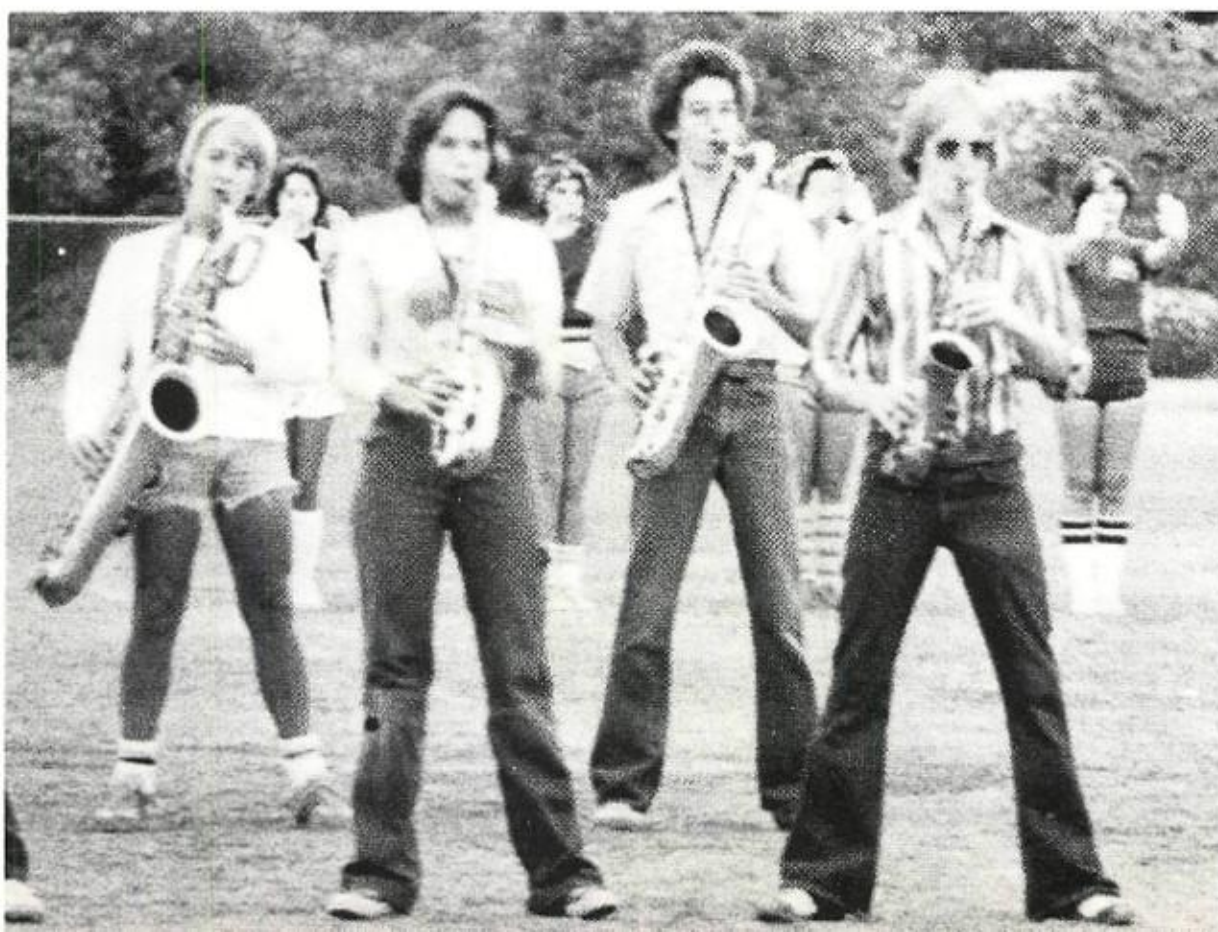

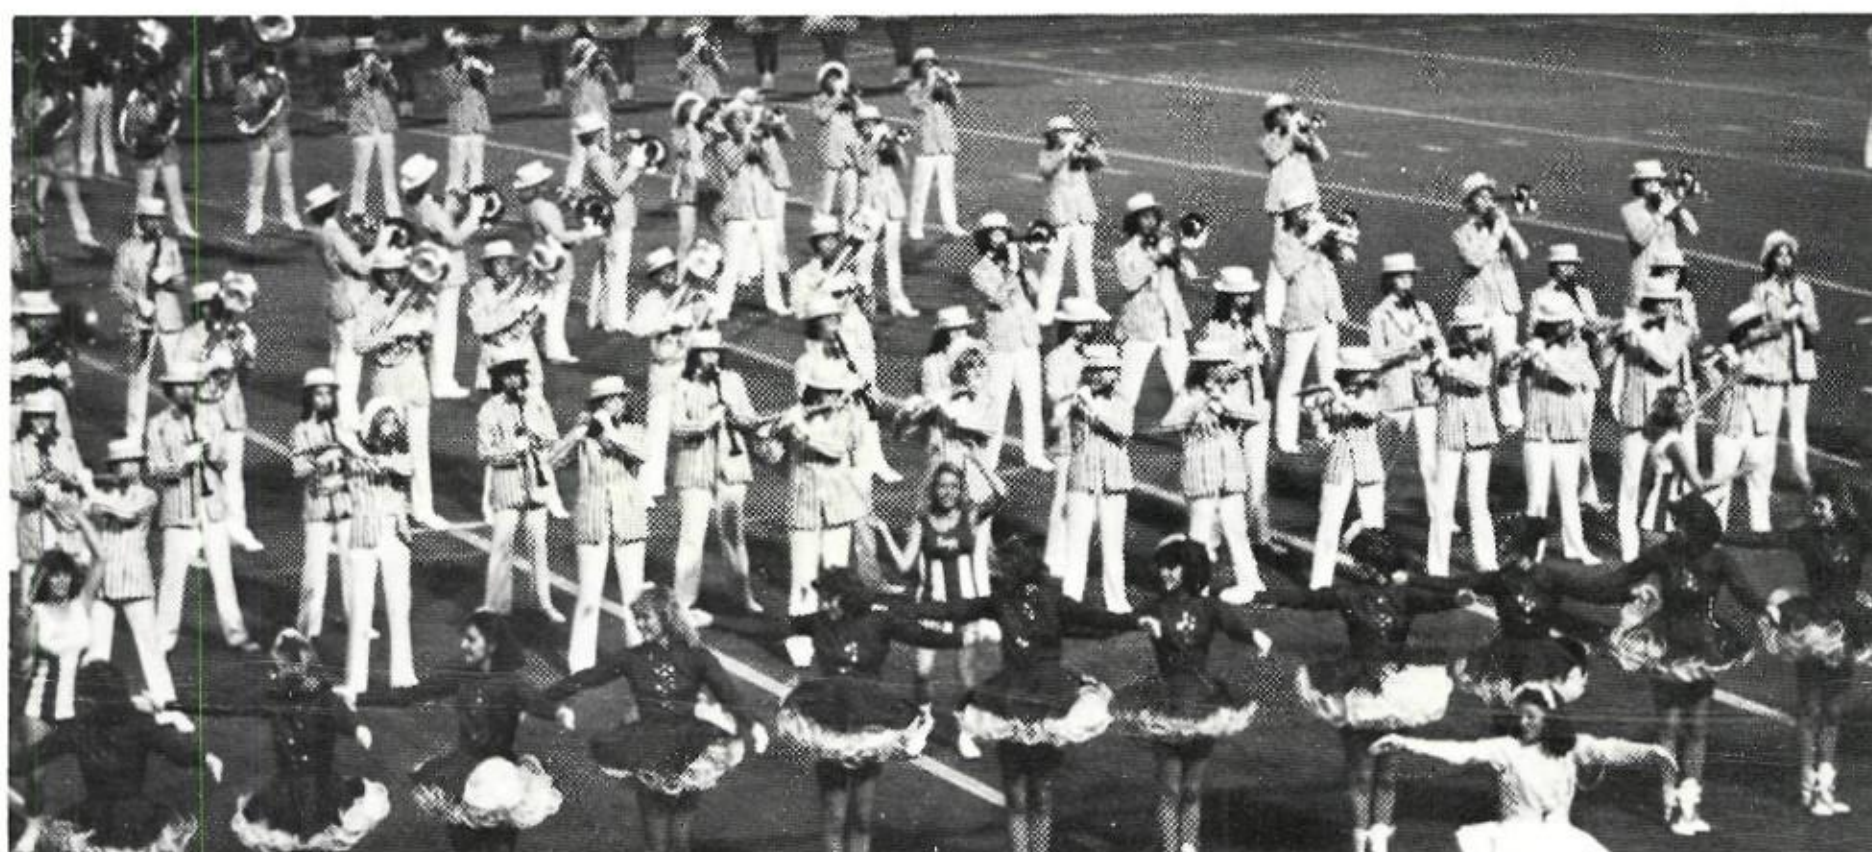

DFW airport was filled with activity as the Band and Belles gathered in preparation to fly to Miami in order to provide a thrilling display of musical ability and precision marching at the Dolphin-Oiler game.

Performance at the Parade of Champions brought the Bryan Adams Band third place in this state-wide competition.

The Marching Band was directed by Mr. David Pittman and assisted by Mr. Don Daniel. This year's drum majors were James Ivey and Marty McElya.

## *Majorettes Add Pizzazz to Band Jazz*

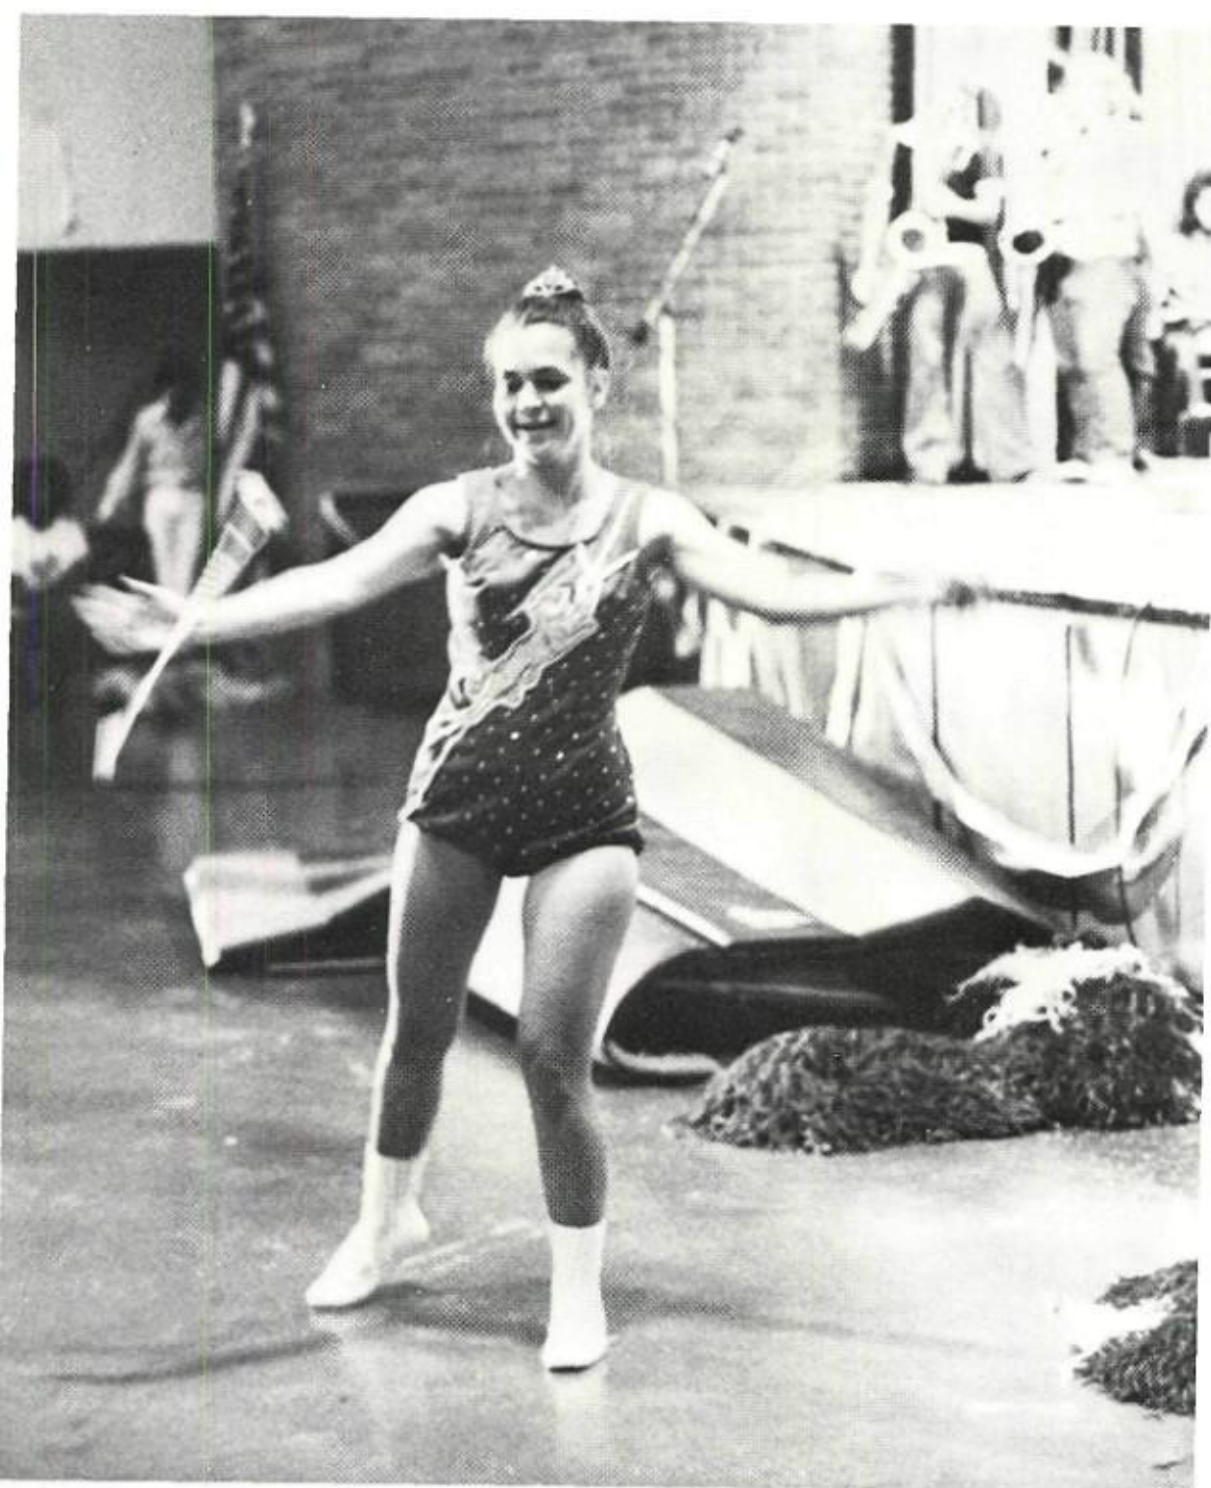

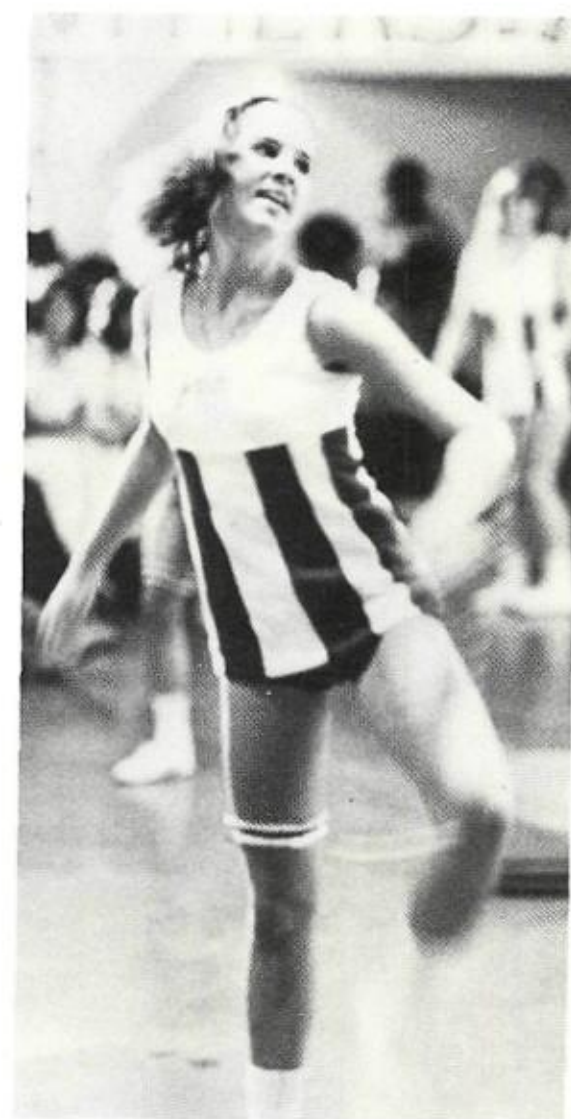

The majorettes added their own glamour to the Cougar band's performances this year. Beginning practice before the Green and White Game last May, the 1977-78 majorettes worked on their routines throughout the summer. Their many hours of practice rewarded them as they performed in Texas Stadium, the Houston Astrodome, and the Miami Orange Bowl, as well as the Parade of Champions.

Dazzling audiences at each performance, Sheri Hunter, feature twirler, Suzy Stevenson, head majorette, Janice Bamburg, and Beverly Bird were under the direction of Mr. David Pittman.

## *Belles Live Up to Reputation in Miami*

The Miami trip was a main highlight this year for the Bryan Adams Belles. During the month of October, the B.A. Ensemble performed a halftime show for the Miami Dolphins. They also participated in the Parade of Champions State Competition at the State Fair and made the finals.

Among their other shows, they performed at the Astrodome for the Cowboy-Oiler half-time in early September. In the latter part of the month, they also gave a performance at Texas Stadium for the Cowboy-Giant game.

With the help of the great officers: Captain Sylvia Wood, Co-Captain Mary Lorton, and Lieutenant Shannon Murphy, this seventy-two member organization lived up to the high standards set by previous years.

## *Cheerleaders Promote Student Enthusiasm*

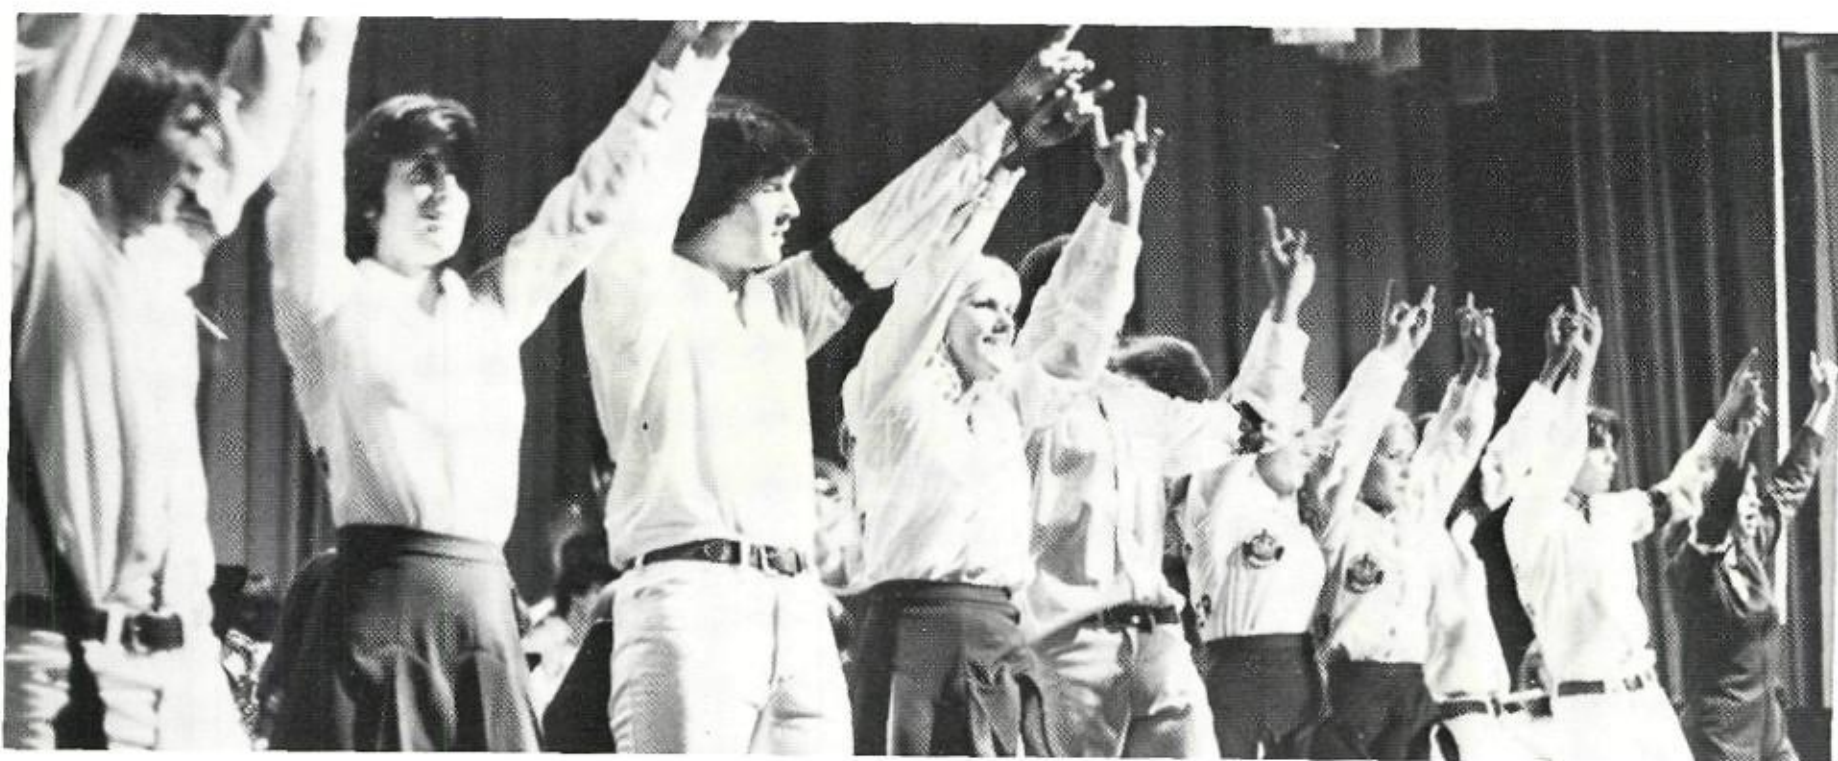

Spirit again proved itself an asset of the Bryan Adams cheerleaders as they again participated in the S.M.U. summer workshop. The 1977-78 cheerleaders showed school spirit and achieved much recognition. Awards that were won included the blue superior ribbons, spirit sticks, and the spirit award. Practices for this competition which began early in the summer was responsible for their success. Long hours of practice while perfecting routines and stunts was noticed and appreciated during assemblies.

Money raising projects included the sale of T-shirts and key chains. Endless spirit was shown at football games and other athletic events throughout the year, due to the dedication of Mrs. Kelly Fortner, cheerleader sponsor.

## *Key Club Gets Involved in Many Activities*

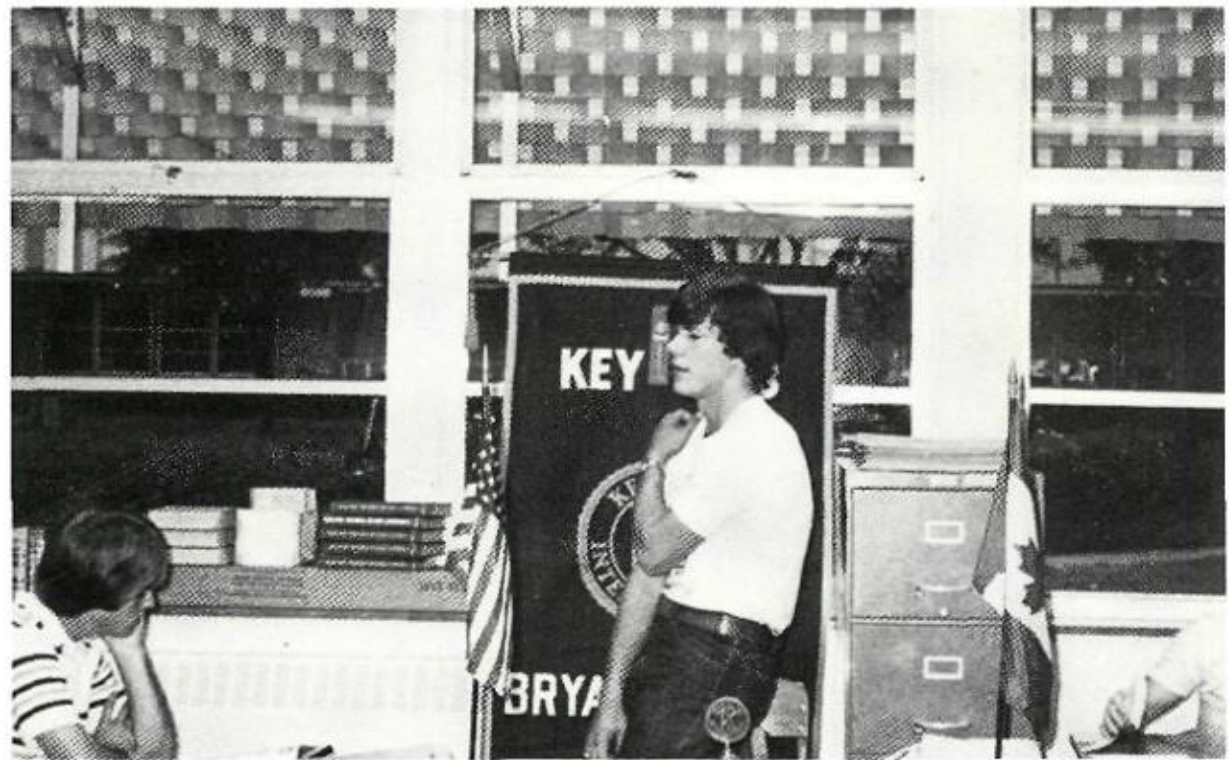

Bryan Adams Key Club has demonstrated to Bryan Adams' students the importance of a service club through its activities. During October, the Key Club members dressed up as monsters at the March of Dimes haunted house. Also, the Key Club had meetings every Tuesday Night at the Kiwanis Club. Every Saturday morning the Key Club would clean up the school grounds which became an annual activity. One of the money-raising programs of the Key Club this year was the car wash. The National Key Club Convention was held in Dallas this year. In charge of the Key Club was Larry Waite, president; Scott Knowles, vice-president; Doug Miller, secretary; Mike Eidson, treasurer; David May, senior director; Dirk Franklin, junior director; Doyle Knowles, sophomore director; and Scooter Moomaw, freshman director; Karl Kurz, chairman of projects; Hank Jamieson, chairman of programs. ## *Mermaids Perform Watery Routines*

Walkovers, dolphins, and kips were only a few of the acts which the Bryan Adams Synchronized Swimming team performed every Monday night at the White Rock Pool. The Synchronized Swim team perfected their acrobatic skills in the water once a week. Sync'r Swim members went through tryouts before joining the team. They were required to know a variety of basic swimming strokes. Many stunts were performed every Monday night. Individual efforts became coordinated teamwork as the year passed. Leading the Synchronized Swimmers was captain, Melanie Derrick, co-captain, Cindy Fowler, and treasurer, Elaine Lee. This year's sponsor was Mrs. Dangelmaier.

## *Human Relations Promotes Unity in Students*

Human Relations had an exciting time this year. They were united, trustworthy, and admired for their goals they achieved. The Human Relations established a healthier environment concerning discrimination as to color, race, sex, origin, and religion. Also, the club raised money and collected cans for families who did not have necessities for the holidays. The Human Relations has had a successful year of being a respected organization. Members were led by sponsor Mrs. Doris Furlough. This year's officers were president, Camille Shipes, vice-president, Leticia Ibarra, secretary-treasurer, Jo Heidingsfelder.

## *Jazz Ensemble Provides Musical Variety for Students*

Jazz Ensemble is an extension of the BA instrumental music program. The ensemble focuses on mastering jazz skills and improvisation. Throughout the year, jazz ensemble attended numerous competitions at Mountain View College, U.T.A., and regional competition in Corpus Christi.

The Ensemble also entertains students throughout the year. The ensemble's first appearance came during homecoming. They also performed at the student and faculty Basketball game in the spring. The highlight of the year's performances came with the annual Jazz Ensemble Spring Concert in the auditorium.

In order to raise funds for travel the Ensemble sold calendars, stationery, and other novelties.

## Students Learn New Silent Language

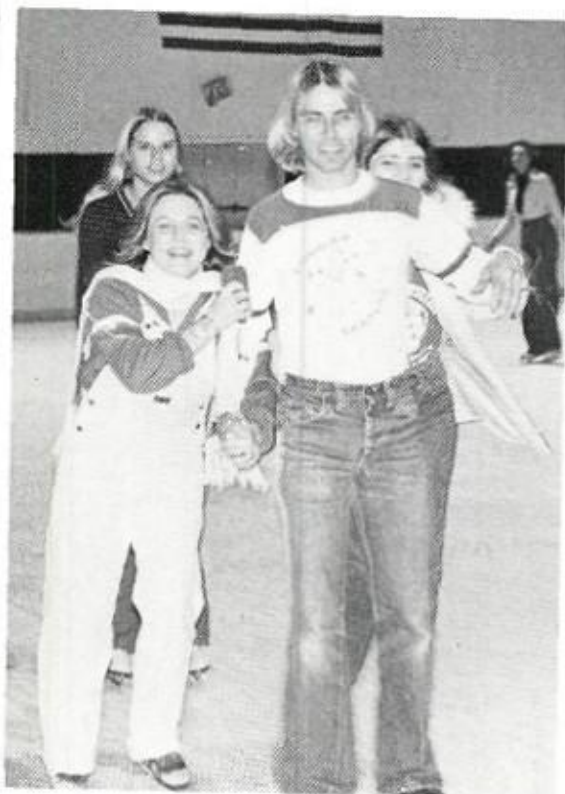

Learning to communicate with the deaf while having fun is the main goal of the Sign Language Club. Activities for this year included a Halloween party and a Christmas party at the Fairhaven Nursing Home, where members "sang" Christmas carols in sign language. The club also had a cookie sale for contributions to Hearing Ear Dogs and took a field trip to Samuell High School to visit with their deaf cheerleaders.

Officers for this year were: Susan Greer, Senior President Advisor; Andra Mullenax, President; Tawny Williams, Vice President; Linda Weber, Secretary; and Lane King, Treasurer. Sponsors of the club were Mr. Longoria and Karen Davis, a teacher of the deaf.

## *Ice Skaters Have Fun Despite Hazards*

Ice skating can be a very hazardous form of entertainment. Some of these perils include: bruises, broken bones, "pushy" people, and the injuries suffered by being at the end of a whip. Despite these dangers, Cougar ice skaters managed to enjoy their outings on the ice.

Skaters met every Wednesday night at school, then went to the Ice Palace in Richardson to skate. They began skating in October, and there was a Christmas party at Fair Park. Anyone could be a member of the club; it didn't matter if you were a beginner or an expert.

Club president was Cheryl Dietzman, and faculty sponsors were James Arrington and Leslie Haralson.

## *Concert Choir Brings Music to Many*

The Bryan Adams Concert Choir is actually composed of two choral groups: the Concert Choir and the Ensemble, the New Edition. Mr. Colton Erwin sponsored and directed each group.

In November, the Concert Choir performed at Casa View Christian Church. December brought a performance for the Christmas party given by the American Businesswomen's Association in the Bryan Adams lunchroom. The choir also performed at Town East and North Park shopping centers during the Christmas season. Choir members gave their annual Christmas concert here at Bryan Adams, and their carols were heard throughout the school during fifth period.

"South Pacific" was this year's musical, performed February 16 and 17 in the auditorium. The cast of fifty practiced long and hard during January and February to make the performance a success.

## *The French Club Learns the French Culture*

LEFT: Sponsor — Madame Verde.

Extending investigations of French life and culture beyond the walls of the classroom, Les Elites members sought to enliven their French experience. Les Elites met regularly throughout the year and in their meetings planned future events, saw films of France and had guest speakers. Laura Winters, a B.A. teacher, shared her slides of France with the club. On Halloween, members had a scavenger hunt with a French twist. During Christmas, members attended Theater III and saw a Moliere Comedy. A Monte Carlo party was planned during the spring.

Members closed out the year with their annual banquet.

During the year, the club was led by President Randa Hadawi, Vice-President Laurie Sosebee, Secretary Sarah Finklea, Treasurer Skip Talley, Historian Ezzat Malaty, and Sponsor Madame Verde.

Also, the board members include: Mary Hodge, Carol Pagerly, Susan Randall, Perilou Goddard, and Hillevi De Mitz-Helin.

## *The German Club Participates in November Fest*

Commitment to exploring the German language and culture guided members of the B.A. German Club through the 1978 year.

Members elected officers, Scott Johnson, President; Michelle Guinsburg, Vice-President; Prissy Kostello, Secretary; and Frank Forbes, Treasurer. Officers then planned the year's activities including monthly meetings, seasonal parties, and bowling parties. Activities were highlighted by the club's trip to Arlington, Texas to participate in the annual German November Fest. Competition was held in German cooking, dance, costumes and various other aspects of German life.

Club members also participated in U.I.L. Competition in the spring.

Sponsor of this year's German Club was Mrs. Barbara Fry.

## *Latin Club Proves Language Not Dead*

Is Latin really a dead language? Not to the fifty-two members of the Latin Club and their sponsor, Virginia Barnes. Activities for this year included the annual get-acquainted picnic, the Christmas Progressive Dinner, and the Roman Banquet.

Members of the Latin Club sold Hearts-O-Grams for Valentine's Day to finance their annual convention. The area convention was held at MacArthur High School in Irving on February 18, and the state convention took place on March 17 and 18 in San Antonio. In addition, the Latin Club participated in the DISD Foreign Language Olympics at W. T. White High School on April 29.

The Latin Club was led by co-consuls Leanna Gebhauer and Pat Bishop. Diane Taylor was secretary, Karen Gehring was treasurer, and Dwight Ray served as convention chairman.

# *Los Vencedores Has Membership Explosion*

The Bryan Adams Spanish Club, Los Vencedores, underwent a tremendous membership explosion this year, with over fifty students who were active members of the Pan-American Student Forum of Texas. The high point of the year was the PASF convention which was held in San Antonio March 2 and 3. Club members sold candy to finance the trip. Other activities for the year included a district Halloween party for underprivileged youngsters, a Christmas party, and the annual Spring banquet for the installation of new officers. The club also participated in the DISD Foreign Language Olympics in April.

Officers for this year were: President, Lynn Robinson; First Vice-President, Michelle Vardell; Second Vice-President, Nancy Smith; Secretary, Jo Smith; and Treasurer, Lisa Wilkerson. The sponsors were Mrs. Helen Golden, Mrs. Sally Rushing, and Mr. Juan Baldor.

## *Bowling Club Rolls Through the Year*

It may not have been "Bowling For Dollars," yet the first year of The Bryan Adams Bowling Club was equally exciting. Supplementing the existing competition Bowling Team, Bowling Club encouraged all B.A. students, beginner or advanced, to participate and join.

Members bowled every Monday evening from 4:15 to 5:30 at Jupiter Lanes on Garland Road. Bowlers' averages ranged from 90 to 180. While the main goal of the organization was to enjoy the sport and friendship of members, bowlers worked on improving their bowling skills and techniques.

Leading the new organization was President, Steve McHan, Vice-President, Sonya Soloman, and Treasurer, Wyatt Caddel. The club was sponsored by social studies teacher Mr. Jesse Bull.

# *Young Life Conveys Message Through Christ*

Young Life fostered Christian fellowship with high school students. Meetings were held once a week on Monday nights at Reinhart Church. The meetings were open to anyone who wanted to attend.

Brief talks were given by Mike Hines, the sponsor, and several other helpers. Each one discussed the serious relation between Christ and one-self.

Some students presented skits, sang songs, and played games for their fellow students. The meetings were not completely serious, however. An important event for Young Lifers was skiing in Colorado. Then they went to Sky Ranch, in East Texas.

Young Life had a large membership of students this year. The sponsor was Mike Hines.

# Rodeo Club Stays Spirited in the Arena for B.A.

Excitement is the word when these young participants faced the challenges of bull riding, steer wrestling, and many other events in area rodeos this school year.

Organizing these events and discussing about the perfection of their riding skills were just two topics that kept the club's meetings interesting.

There are a great number of events these young adventurers can chose from. Events such as barrel racing, chite dogging, bareback riding are a few examples. For the female members goat tying, pole bending and steer undercorating are included in the list of events.

Mr. Curtis Castleberry was the sponsor for this year. Officers included President, Keith Hall, Vice-President, Joe Rodriguez, Board Member, Paula Thorne, Reporter, David Lytle, Secretary, Pam Archer, Treasurer, Dawn Archer.

# *Radio Club Keeps Alive Popular Pastime*

"Breaker 19 for the Yellow Flash" is a familiar phrase known by the members of the 1977-78 Radio Club. Another year has come and gone, but the great interest in C.B.'s is still with us. The parking areas surrounding B.A. are filled with cars sporting their antenna songs containing the familiar C.B. jargon.

The Radio Club was organized to keep acquaint interested students with the FCC regulations and also expand their knowledge of the C.B. language.

Communicating by way of the C.B. is great enjoyment to the members of this club, but they also realize the responsibility they have in not abusing the airways.

## *Literary Society Reads Their Way to Fame*

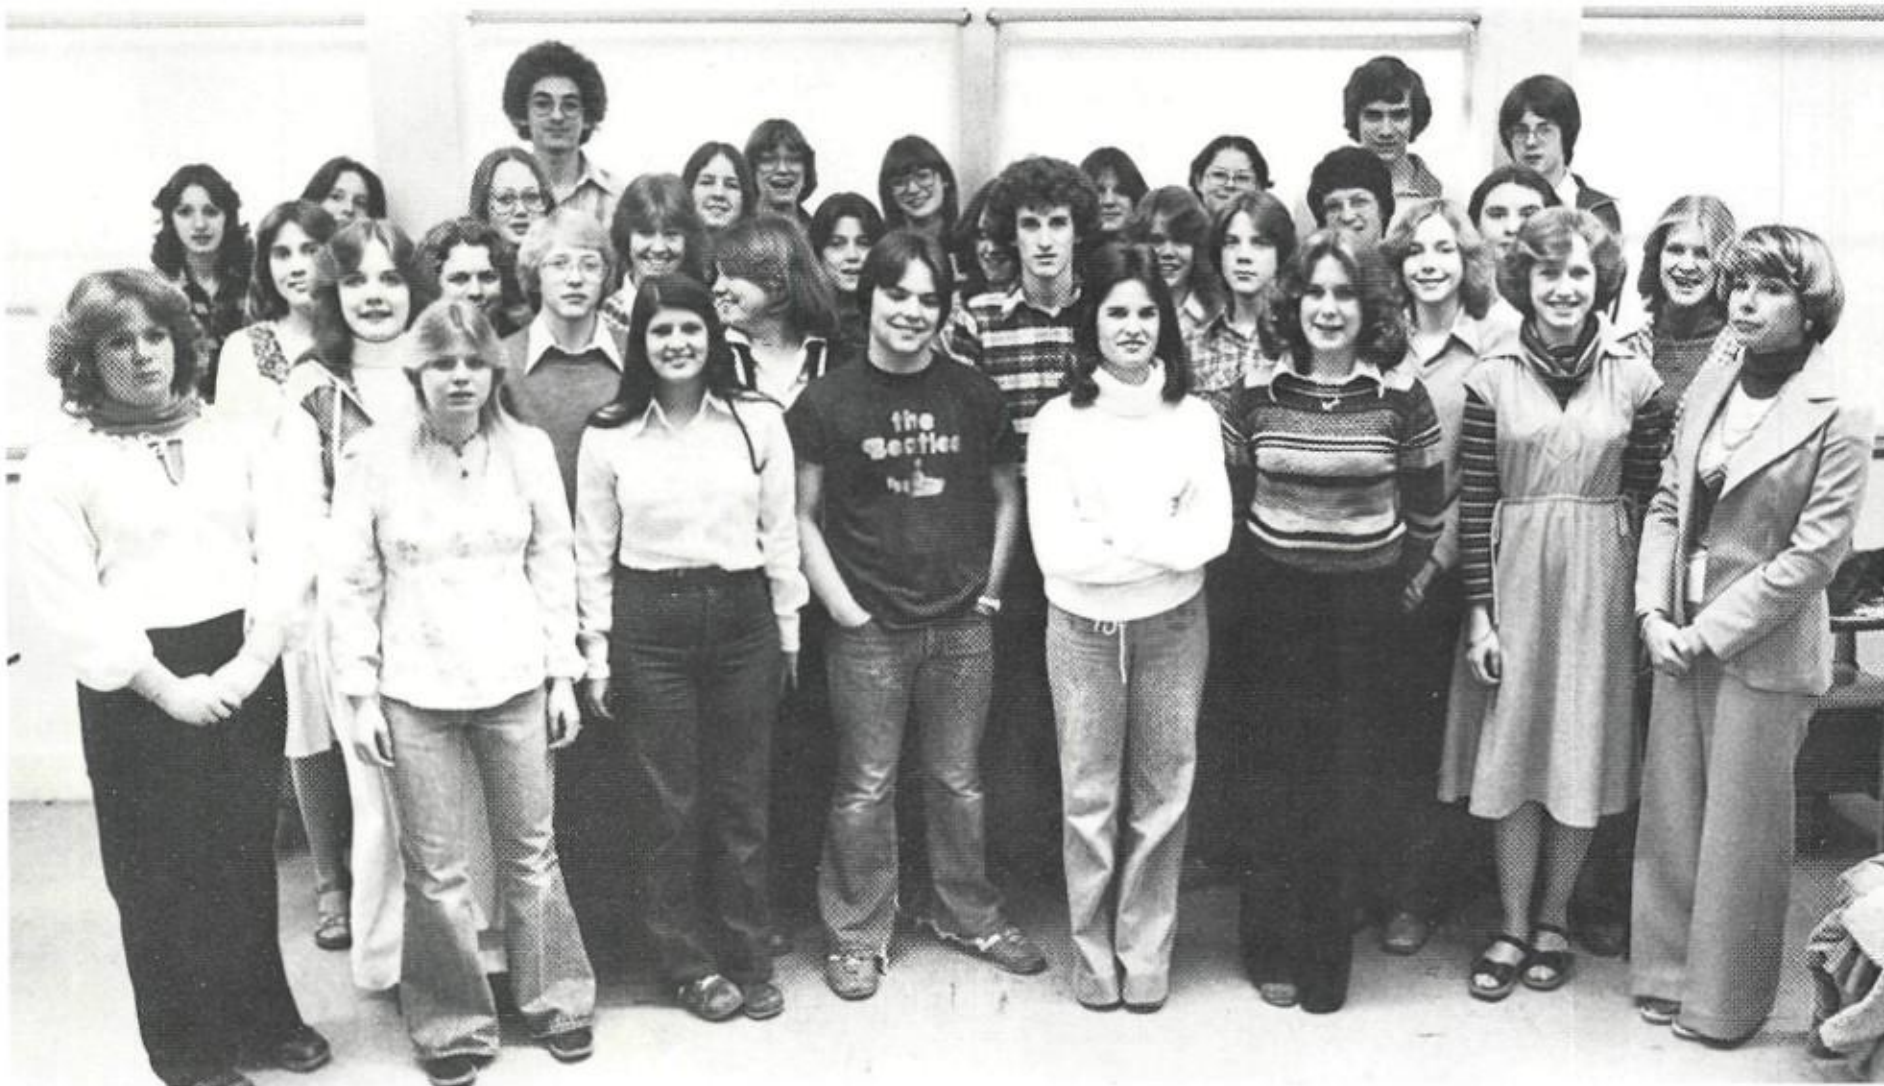

Students interested in Literature and the pursuit of the arts joined B.A.'s newest organization — the Literary Society.

The year's activities began with a "Get-acquainted" cook-out at White Rock Lake. Members then attended the rock ballet, *Caliban* by the Civic Ballet at S.M.U. Then members attended a production of the 'Glass Menagerie' at Eastfield College.

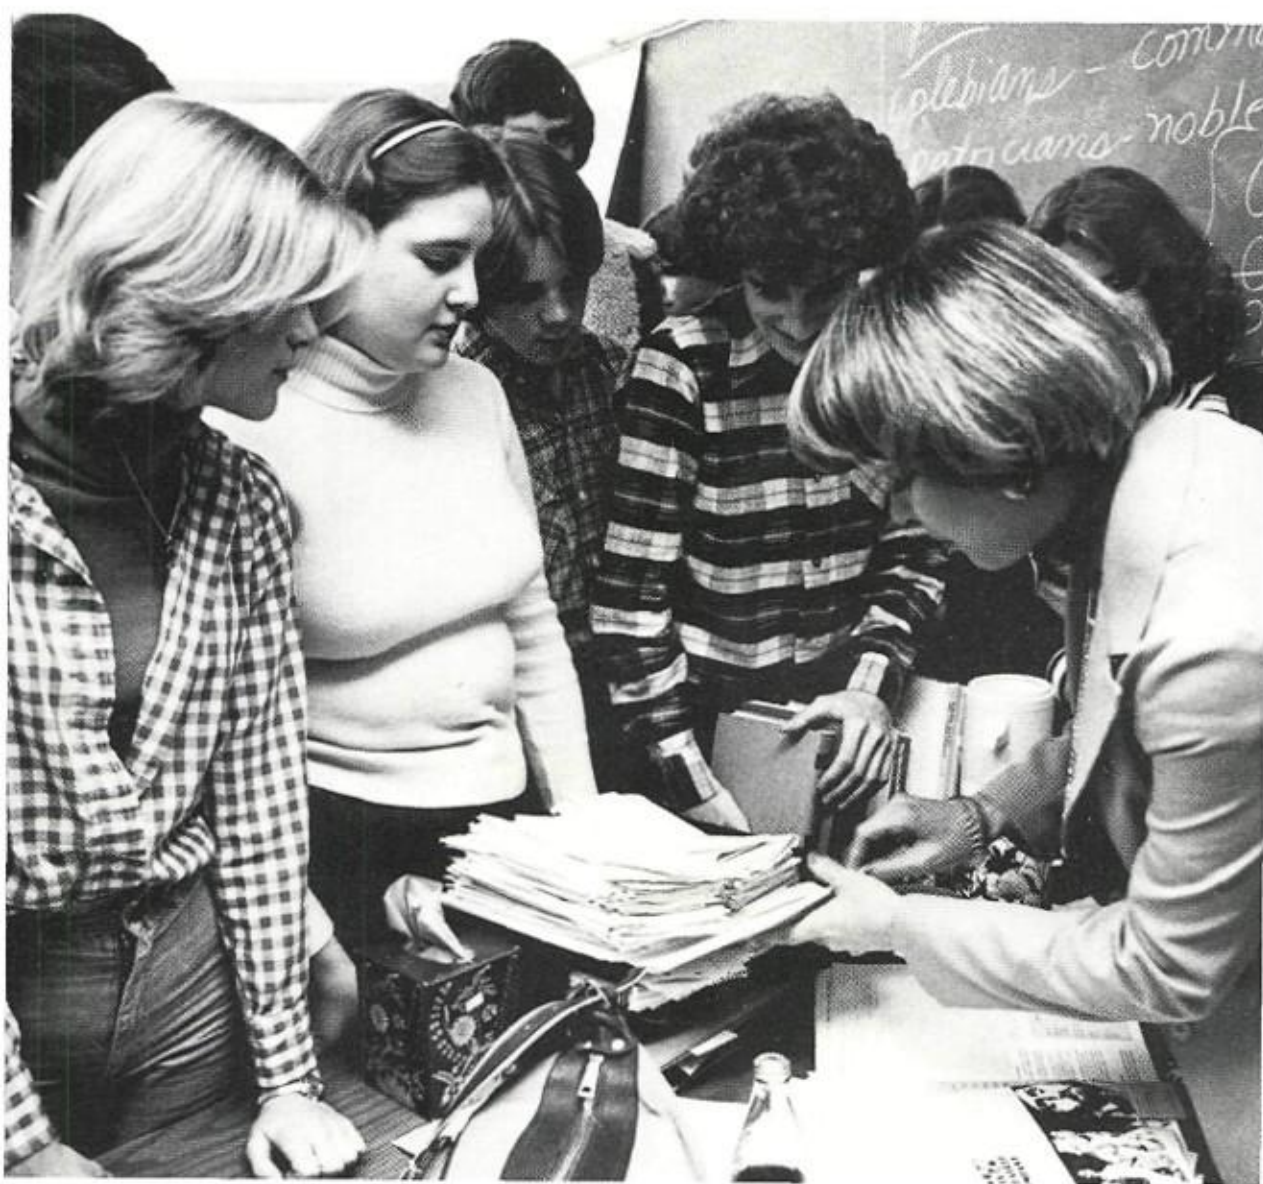

In the spring, members attended a costume party where everyone dressed up as a character from the classics in literature. Students also held their own creative writing seminar.

In April, students celebrated Shakespeare month by having a Shakespeare Lock-In, where they studied one of Shakespeare's plays.

Enthusiastic students who led the 1977-78 Literary Society were: President Kacy Woodard, Vice-President Eric Pierce, Secretary Beverly Davis, Treasurer Scott Smart, Program Chairman Susan Randle, and Social Chairman Sara Anderson. Mrs. Carolyn Wartes and Mrs. Peggy Leeman sponsored the Literary Society.

## *Pub Staff Uncovers Secrets of Graduating Seniors*

That most embarrassing moment, the secret crush, funny capers — all these plus many more, are revealed when the Senior "Pub" is distributed in the Spring.

Staff members worked tirelessly during the month of February in an effort to uncover the many senior hijinks and in order to compile the anxiously awaited publication which produced an outstanding book full of the graduating seniors' antics.

Under the direction of Ms. Debbie Ellis and editor Debra Anglin the 77-78 Pub was included in the many memories of the seniors.

## Crossroads Achieves Great Accomplishments

"We have the *Real* untold story!" was the motto of the Cougar Crossroads newspaper staff for the 1977-78 year. Following the format of a news magazine, the Crossroads was printed every three weeks. This year the Crossroads had a 100% increase in circulation and was a sell out for each issue.

The Crossroads attempted to focus more intently on student life and student interests by writing articles concerning everything from student cheating to shoplifting. The Crossroads also organized student activities as in the "Decorate Your Door" contest for Homecoming.

Staff members competed in U.I.L. competition in March. Receiving numerous other awards throughout the year was achieved by the news magazine also.

Leading the 1977-78 COUGAR CROSSROADS was Miss Deborah Ellis.

## *El C Staff Takes It to the Limit*

Those strange sounds coming from room 231 sixth and seventh period were neither monkey chatter nor bird calls. Rather, they were the sounds of a frantic and harried annual staff releasing its frustrations.

Guided patiently and with understanding by sponsor Kathie Bowley, staff members struggled to meet the seemingly impossible demands of Elaine Garrett, editor-in-chief. Copy and layout revisions were hurriedly made as staffers worked overtime to meet deadlines. These deadlines were met on time, and the 1978 EL CONQUISTADOR was distributed to the student body on Scribble Day.

The theme for 1978 was "Take it to the Limit," which included a unique cover design which was depicted throughout the book. This year's book also made use of more pictures and more color. "El C" staffers also enlivened their working area by painting the annual room bright yellow.

## *Marionnetters Use Puppets in Dramatic Arts*

The magic of puppeteering was brought to B.A. for the first time this year through the new marionette club.

Combining visual with dramatic arts, members communicated their feelings and acting talents to audiences through puppets.

Marionette Club met every day during seventh period in the brown portable. Here students spent many hours making and designing the puppets for their productions.

The highlight of the group's activities was in the spring when they presented "Jose, the Candle Maker" in the school auditorium. Members also participated in the annual arts symposium in the courtyard.

Mrs. Ann Nieto formed and sponsored the new club for students interested in the theatrical arts.

## *R.O.T.C. Takes It to the Limit*

Again, B.A. maintained one of the most outstanding R.O.T.C. units in the state. The R.O.T.C. unit taught participants the basics of shooting, drill marching, first-aid, and an over all view of military life.

B.A.'s R.O.T.C. unit continued to win in competition. In Wichita Falls, male corps members won third place inspection, and first place commander. In North Zone competition, B.A. won first place inspection, first place basic, first place over all. In City Competition, Cougars brought home the first place over all trophy.

Female drill team members brought back a clean sweep of first place trophies in City and North Zone competition.

Rifle team also continued the winning tradition by bringing home second place City Gallery, first place North Zone and fifth place Wichita Falls.

R.O.T.C. was not all vigorous training. The annual Military Ball was held in December where Dawn Williams was crowned queen and Kathy Shelton was runner up.

Sergeant Major Clifton G. Stader, Sergeant First class Dozier Sutton, and Sergeant First class Evanda Kiel kept the Reserve Officer Training Corps running smoothly and efficiently throughout the 1977-78 school year.

## *Mr. Richardson Leads Bryan Adams Through Another Successful Year*

Mr. Dearl D. Richardson has faced many changes and challenges since becoming our principal in 1969. These changes have been implemented with minimum problems under Mr. Richardson's leadership.

The freshman class, an addition to Bryan Adams last year, has blended in with the high school concept also due to our principal's guidance.

Under the supervision of Mr. Richardson, the faculty spent much of their time developing skill tests to find the competency level for students in verbal and math scores in order to prepare the class of 1981 to take the pre-graduation test.

Mr. Richardson feels that the extra curriculum offered to all students are important in balancing the system and will help the student in his future life. He gives his full support to all of the activities at Bryan Adams.

## *Assistant Principals The Faculty's Unsung Hero*

These six very important people are considered by the faculty to be the "front line warriors."

The Assistant Principals soon become a familiar sight around the school campus as their duties range from supervising the parking lots, transportation of students, monitoring the halls, and attending school functions, to individual student counseling, keeping statistical data on enrollment and other varied administrative duties.

Each grade is assigned an Assistant Principal who works very closely with the student body in maintaining the lines of communication, which is so essential in a successful school program.

These faculty members deserve a measure of praise, a pat on the back, and a thank you for a job well done, because they are truly the school administrations unsung heroes.

## *Counseling Staff Aids Students Through the Year*

A pink call slip? It means different things to different students. Of course, all students know that a pink call slip means a visit to the counselor's office. At the beginning of a quarter a pink slip usually means a schedule change. Any time during the year a call to the counselor's office may entail planning future high school courses, future college plans, plans for SAT or ACT tests, discussing plans for a job, discussing plans for scholarships, or any number of things.

The counselors who take care of all these situations at Bryan Adams are six, competent women who are trained to help students through their high school years. The counseling staff consists of Mrs. Ruth Lewis, Mrs. Eloise London, Mrs. Gloria Brown, Mrs. Nell Martin, Mrs. Patricia Johnson, and Mrs. Elizabeth Enlow. All of the counselors at Bryan Adams are ready with encouragement for discouraged students.

## *Attendance Office and Clinic Meet the Needs of the Students*

Keeping track of 3,300 students is a major undertaking, one of the many responsibilities of the Attendance Office.

This year more students are attending magnet schools than any other year. The Attendance Office works closely with the magnet schools making sure all the students arrive to their designated schools. They also keep the attendance of the Bryan Adams students that go to Skyline High School and Magnet schools, along with the enrollment at Bryan Adams.

Barbara Coney handles the freshmen, Anita Parker, sophomores; Mildred Morgan, juniors and Faye Van, Seniors. Eva Peck works in the Attendance Office and two and one-half hours in the clinic assisting with students in and out of the clinic.

The nurse Davilla Lynch, makes sure all immunizations are complete, the x-rays for the athletes are taken, takes care of the sick students and makes special adjustments for the activities of the handicap.

## *Youth Action Center Listens, Suggests and Aids Students*

The purpose of the Youth Action Center is to serve as a link between the students, the school, the parents and the Police Department. It provides a decentralized location where students and the parents may get help regarding school or community problems. The new advisor this year is Alan Alig, the teacher in charge is Marvin Fleetwood the probation officers are Leanne McKinley and Jerry Vining. Juanita Meza is the secretary and Bob Wilson is the Dallas Police officer assigned to Bryan Adams.

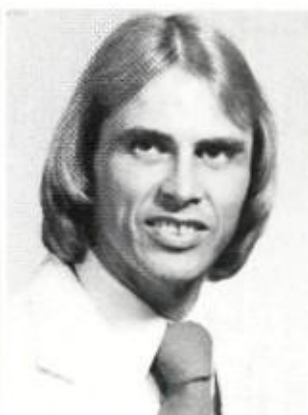

The annual food drive took place before Thanksgiving, in order to help needy families enjoy Thanksgiving. This project is supported by the entire student body.

## English, Journalism and Speed Reading Strengthen Communication Skills

Language Arts classes at Bryan Adams teach the students to express themselves correctly and with effectiveness by improving their skills in writing, words, thoughts and opinions. This concept is achieved by many grammar exercises teaching correct technique, and practicing these skills through oral and written themes and plays.

A new elective offered for the first time at Bryan Adams was Speed Reading. The one quarter course was only offered to the seniors because of the large demand. Mrs. Sanford taught this course and was pleased with the accomplishments the students made in improving their speed and comprehension of the reading material.

The Journalism Department was under the direction of one of our new teachers, Miss Debbie Ellis. This course taught the students to express their thoughts and ideas in writing editorials, cover stories, and how to become strong newspaper writers.

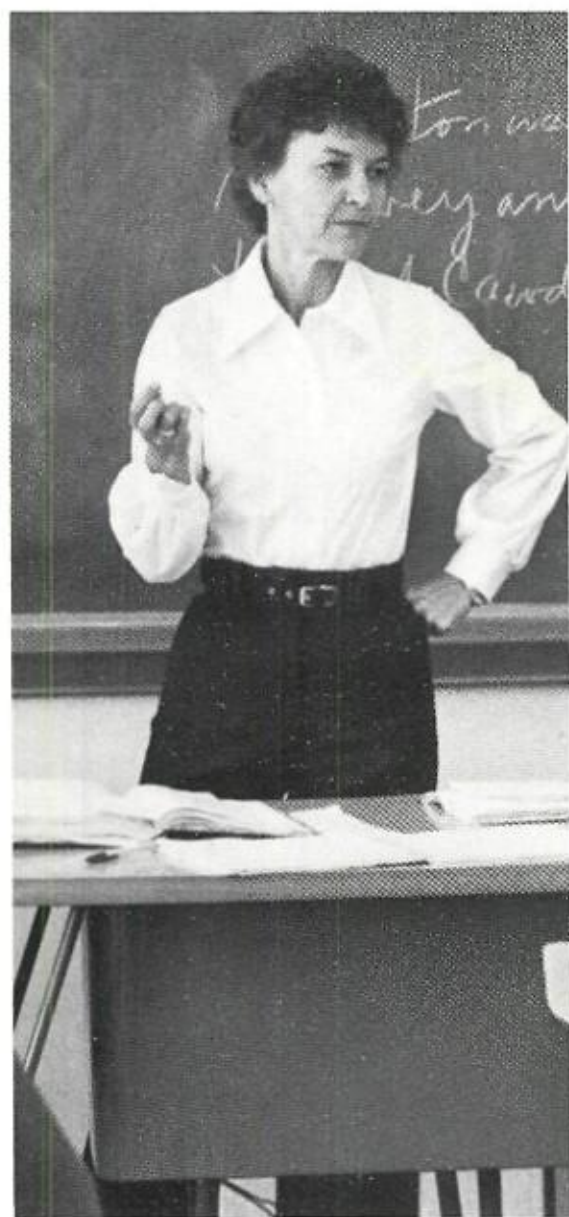

Many thanks for  
a great year! I  
have enjoyed teaching  
you and your third period  
All of you have worked  
so hard and you have  
come such a long way.  
Keep up the good work.  
Good Luck  
God Bless  
Mrs. Leeman

## *Drama Enriches Students' Lives*

Drama is one of the main areas in which Bryan Adams students excel. Many students participate in drama in order to fulfill the need to express themselves. There are many different ways for students to express themselves in the department of speech and drama. They may participate in debates, dramatic interpretations, one-act plays, skits, applying make-up and designing sets.

Drama students from Bryan Adams received several awards by participating in many different types of contests and tournaments.

Debate and drama students spent much time preparing for these tournaments. Afterwards, though, they reaped many rewards.

## *Students Find Creative Outlets in Music and Art*

Many musically and artistically inclined students developed their skills in special courses at Bryan Adams this year. Music students chose from Marching Band, Symphonic and Concert Bands, Concert Choir, Stage Band, Orchestra, Music Theory and Harmony, and chorus classes. Art students chose from pottery classes, craft design classes, and regular art classes.

The Concert Choir entertained the student body with various programs throughout the year. The highlight of the choir's performances was the musical "South Pacific."

Art students were also kept busy this year. They displayed their creative works in the trophy cases.

## *Work Program Students Train at School and on the Job*

The Work Program helped those who chose to combine work and school.

Thirteen dedicated teachers strived hard to make the program a success. Vocational Education is divided into seven areas, in which, each specializes in a certain type of work. The organization was made up of ACT, CVAE, DE, HECE, HOCT, ICT, and VOE.

Lab classes could have been taken prior to employment in related jobs. Sophomores, juniors, and seniors, sixteen or older, participated in this program.

Classroom study along with approved work experience provided a good background for college bound students.

## *Foreign Languages Prepare Students for Future*

French, Latin, Spanish and German are the languages offered at Bryan Adams. In most classes the students not only are taught the grammar of their language that they are studying, but also about the people, the country and the literature. In some classes they do commercials in the language being taken, translate stories of the history of the country and plays are written and performed using the newly learned vocabulary.

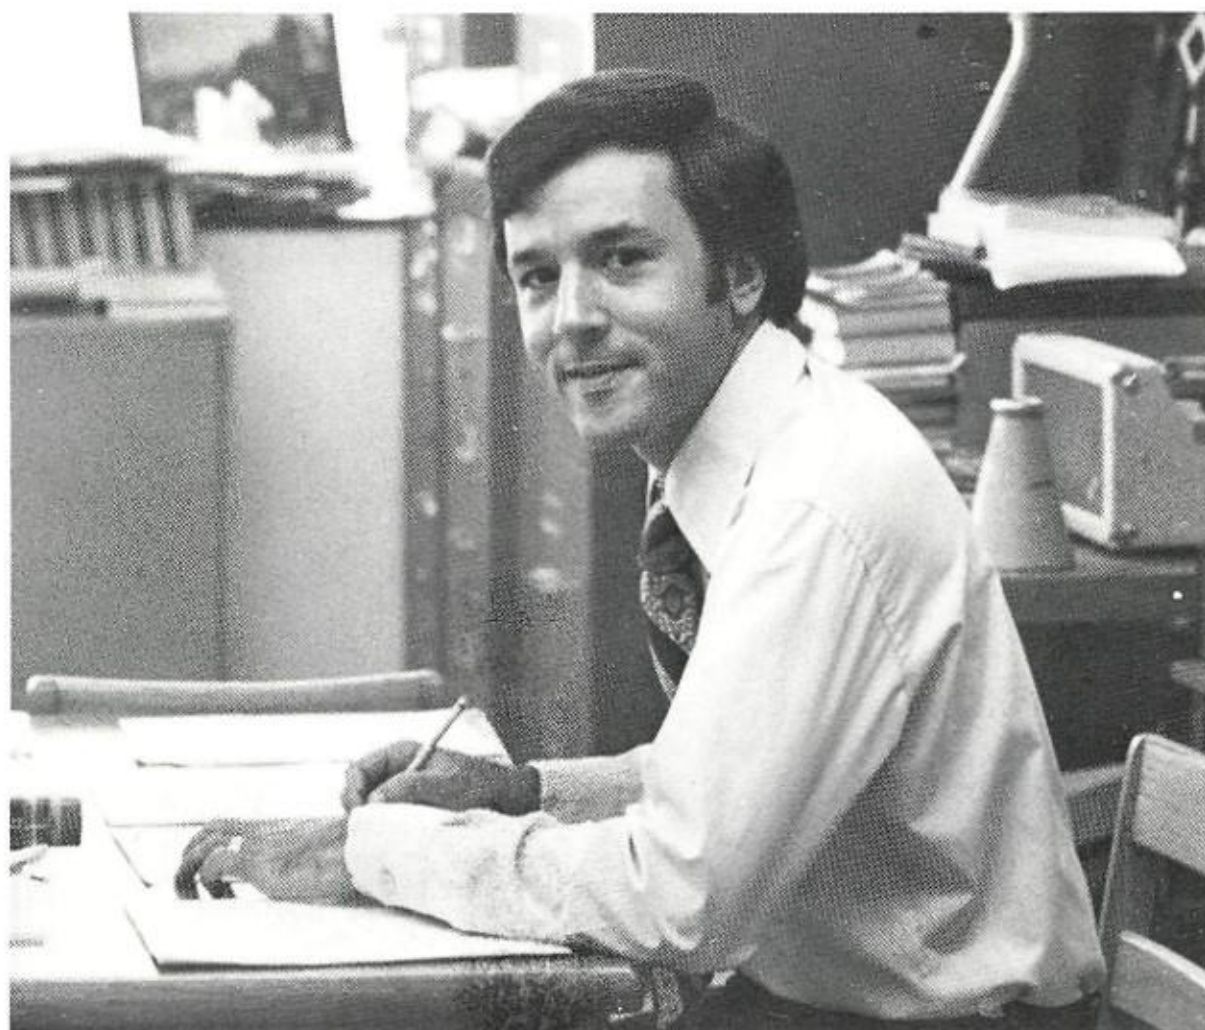

Aides that help in the learning of a foreign language are films, tape recorders, records, the lab room and of course teachers.

## *Social Studies Widens Students Perspective*

The Social Studies department offers a wide variety of courses ranging from American History to the Social Clusters program.

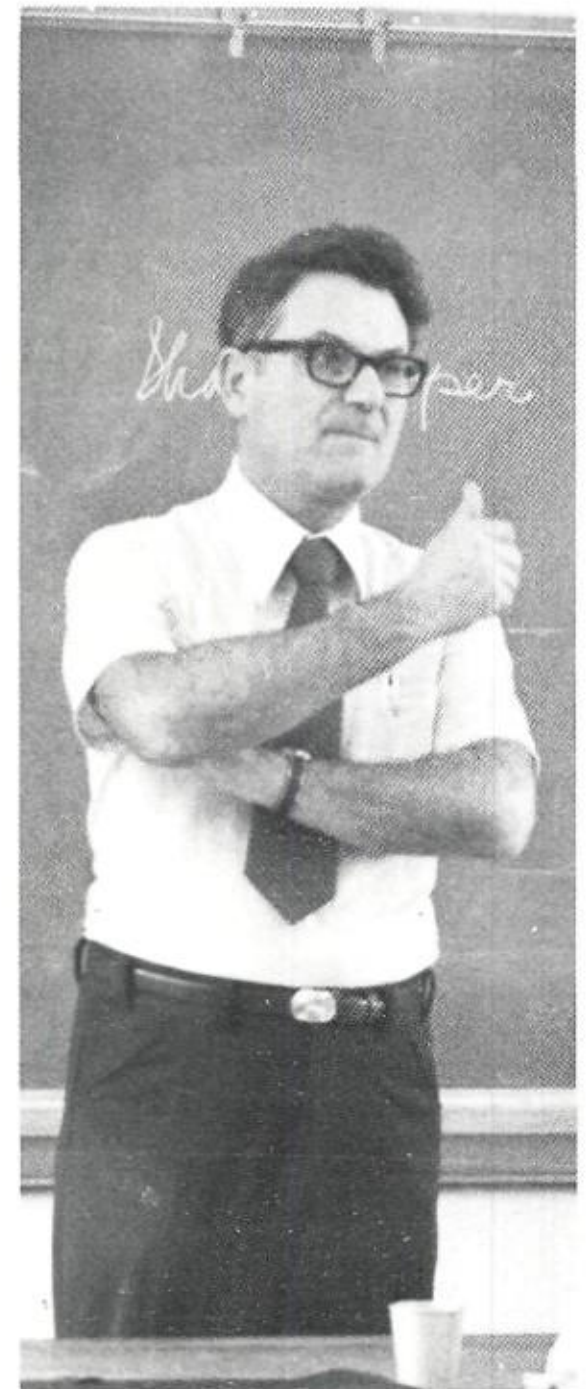

This year World Religions was included in the curriculum, directed by Mr. Lancaster. The course included field trips to different points of Religious interests in Dallas. They visited the Miracle at Pentecost and the Temple Emanuel.

World History, American Government, and World Geography are also offered. History classes took the traditional field trip to the courthouse to see law in effect. Also, classes visited a meatpacking plant in correlation with the studying of the novel, *The Jungle*. Government classes benefited from the visit of a man who had spent time in a concentration camp.

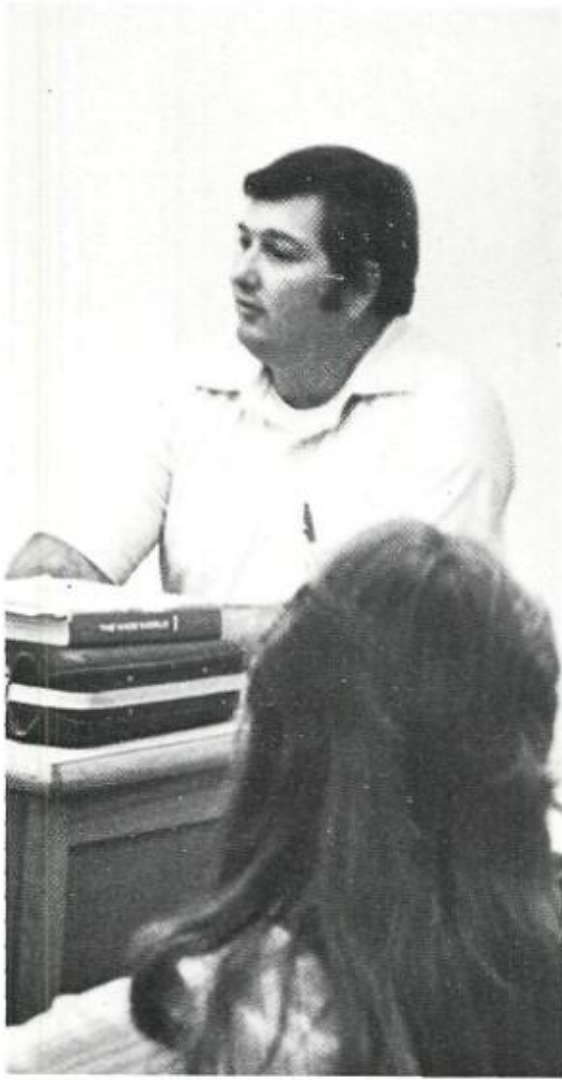

Social Studies continues to be one of Bryan Adams growing and expanding programs.

## *Psychology and Sociology Teach Students About Themselves*

Bryan Adams students who wanted to understand the behavior and environments of the people around them took psychology and sociology. In these one quarter courses the students participated in experiments studying hypnosis dreams, transactional analysis, mental retardation, and brain functioning. Through these experiments the students discovered how human problems are often solved by applying the knowledge and methods of psychologists.

To break the monotony, the classes frequently listened to guest speakers and took field trips.

Advanced psychology classes were offered for those who wished to learn more about psychology, provided that the student had previously taken psychology or sociology.

Psychology and sociology proved to be one of the more exciting electives available for seniors.

## *Math Students Tackle Baffling Problems*

Mathematics is a baffling subject to most people, but some actually enjoy trying to figure out the logic behind the totally confusing equations and problems of this subject. Whether they liked it or not, though, many students took various math courses this year. Most freshman and sophomore students were required to take some type of math course. Most junior and senior students were given the privilege of choosing to advance into more difficult courses, such as Trigonometry and Calculus. A few of the more industrious students competed in math contests this past year.

Some of the math courses offered at Bryan Adams were Fundamentals of Math, Geometry, Algebra I, Algebra II, Analysis, Trigonometry, and Calculus. Bryan Adams has a very fine math department. Many competent teachers instruct these courses. They tried to give students a basic understanding of mathematical skills, and therefore, prepare them for the problems they will be facing in the future.

## *Science Students Have Fun While Making Discoveries*

Students at Bryan Adams have many choices when they decide what type of science to take in order for them to learn more about their surrounding environments. With these courses the students are able to see ideas and theories turn into actual experiments.

The Physical Science classes learn to make accurate observations and from this form reasonable conclusions, while Biology provides a study of human and animal nature and also structure. Chemistry and Physics students learn to solve problems by a given method and allows each student to draw conclusions about the experiments.

Students planning to go into related science fields have the opportunity to take advanced Biology, Chemistry, and Physiology. These courses offer a more indepth study of that particular field of science.

## *Homemaking and Shops Provide Career Opportunities*

Many types of Home Economics and Industrial Arts were offered to students which provided a good background for the future.

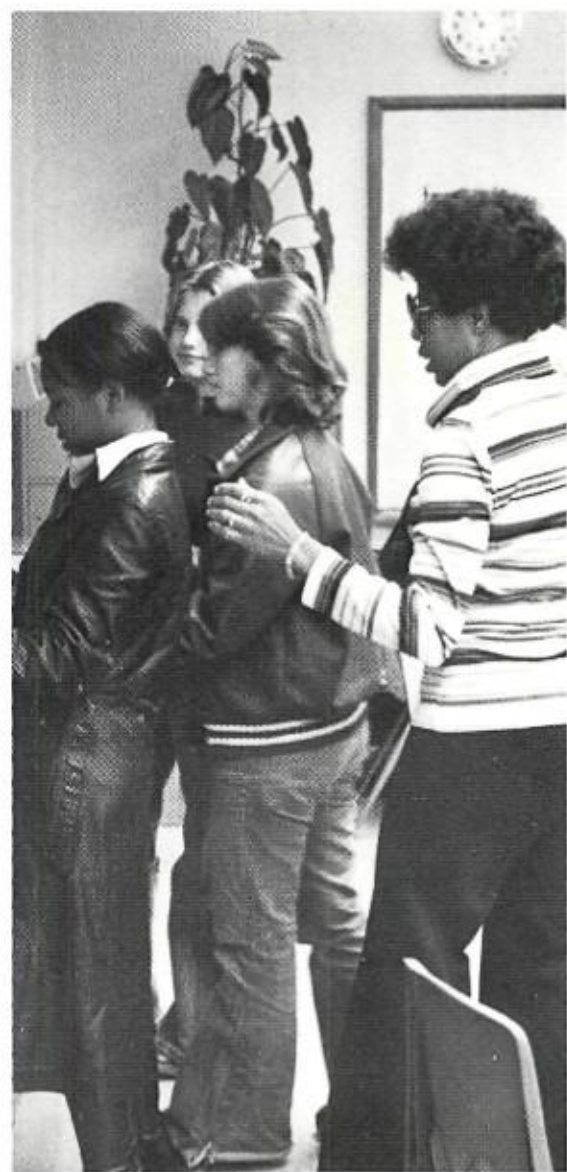

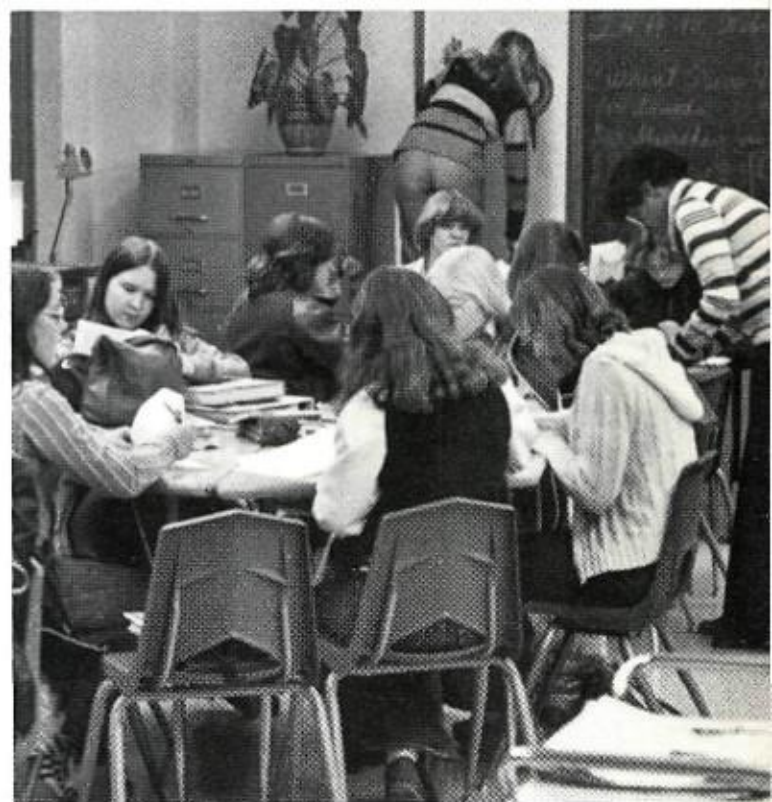

Families, furniture, spending, cooking, and clothing were major concerns of the Home Economics Department this past year. Students learned how to survive independently and in family situations, as well as preparing for careers.

The shops covered several areas, from overhauls, electronics, and machine work, to engraving, architectural drawings, and cabinet making. These students left with a good knowledge in making various projects, some of which were entered at the North Texas State University Fair.

Students in these classes took their consumer skills to the limit and accomplished many goals.

## *Business Education Expands Students' Efficiency*

A variety of courses were offered at Bryan Adams for those students interested in Business education. Bookkeeping, typing, shorthand, business math and business law were available.

In shorthand and typing the students learned special office skills which call for accuracy and speed. Success in these classes provided students with the basis for a marketable skill.

The students are taught how to fill out bills, ledgers, tax forms, and in the bookkeeping and business math classes. The business law course taught students how to get along in everyday problems and situations.

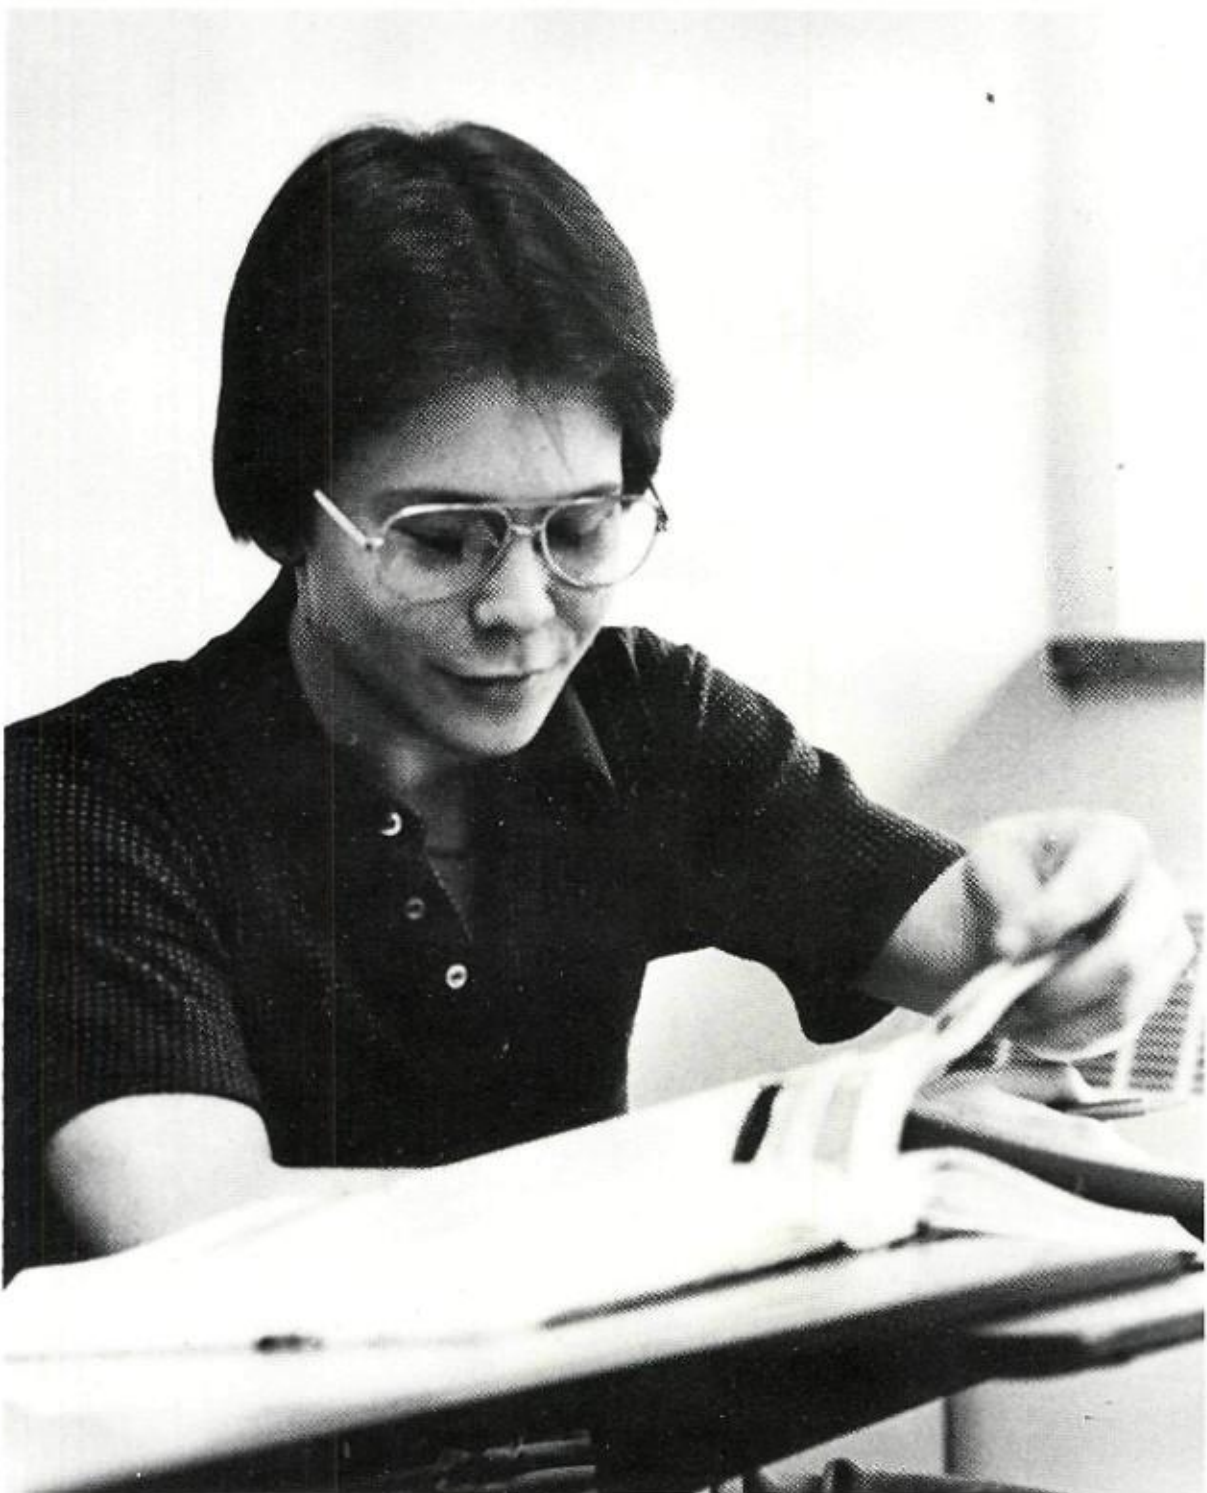

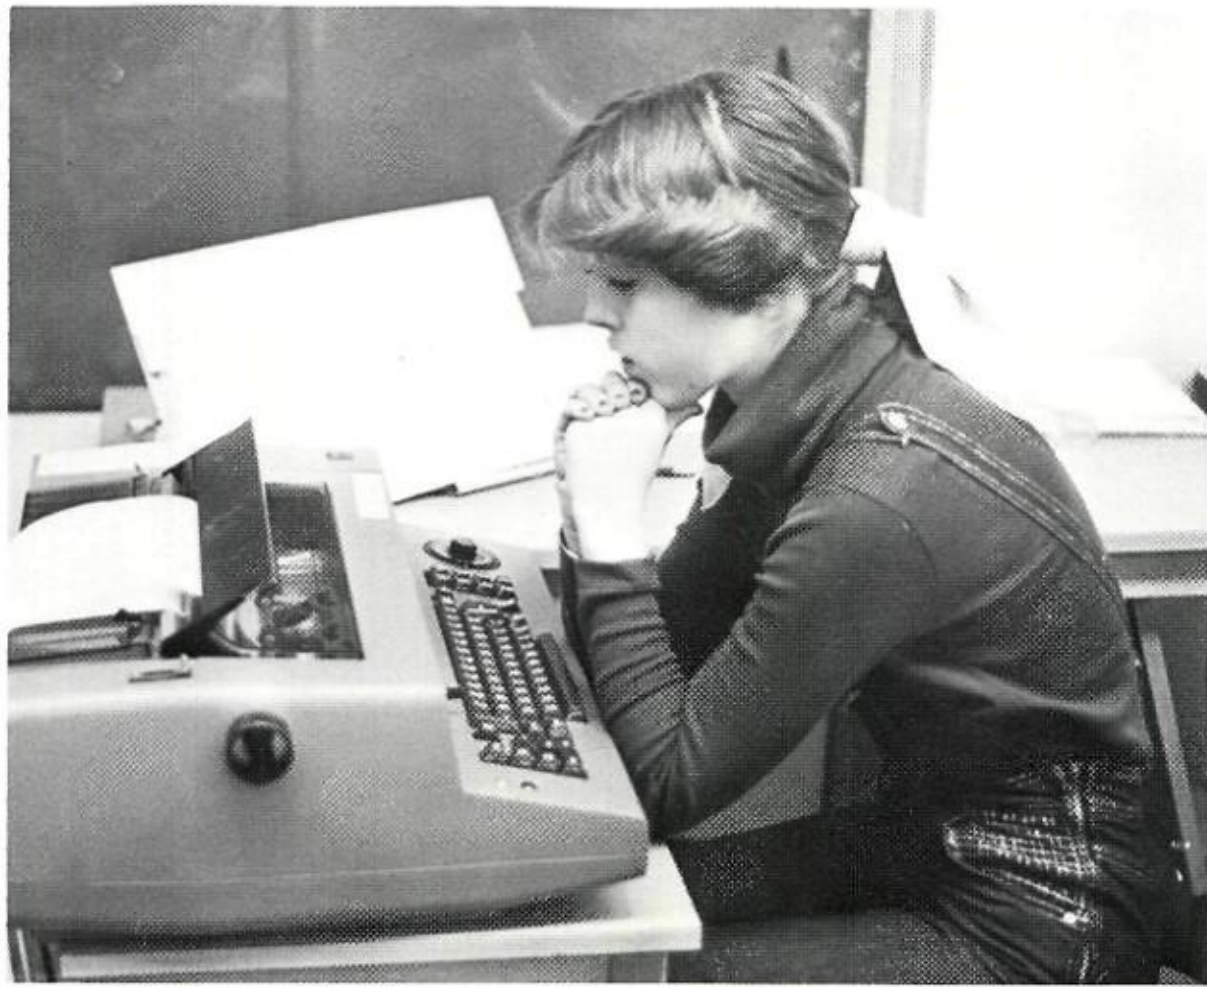

In order to help students, many different machines are used such as typewriters and adding machines. This year a new IBM memory typewriter was added as further aid to the student.

## *Photographers Capture Action on Film*

Photographers were seen just about everywhere you could imagine this past year. Students of the photography class were occupied with getting pictures of all the different activities at Bryan Adams.

Seventh period was designated as the time for the photography class to meet. Besides working in class, many of these students lent their talents to the annual and newspaper staffs. These people were seen in various classes trying to capture the real action on film.

Many of the students took this class to further develop a hobby, while others were seriously studying the subject.

## *Study Halls Provide Break in Routine Classes*

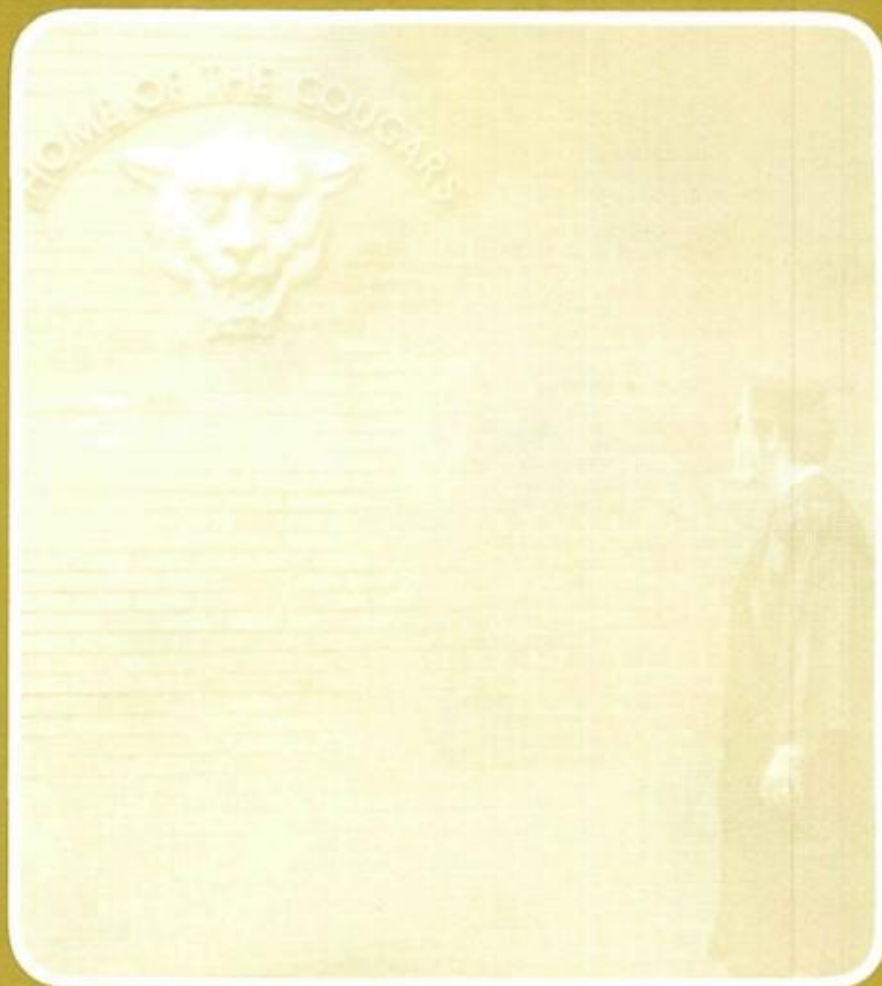

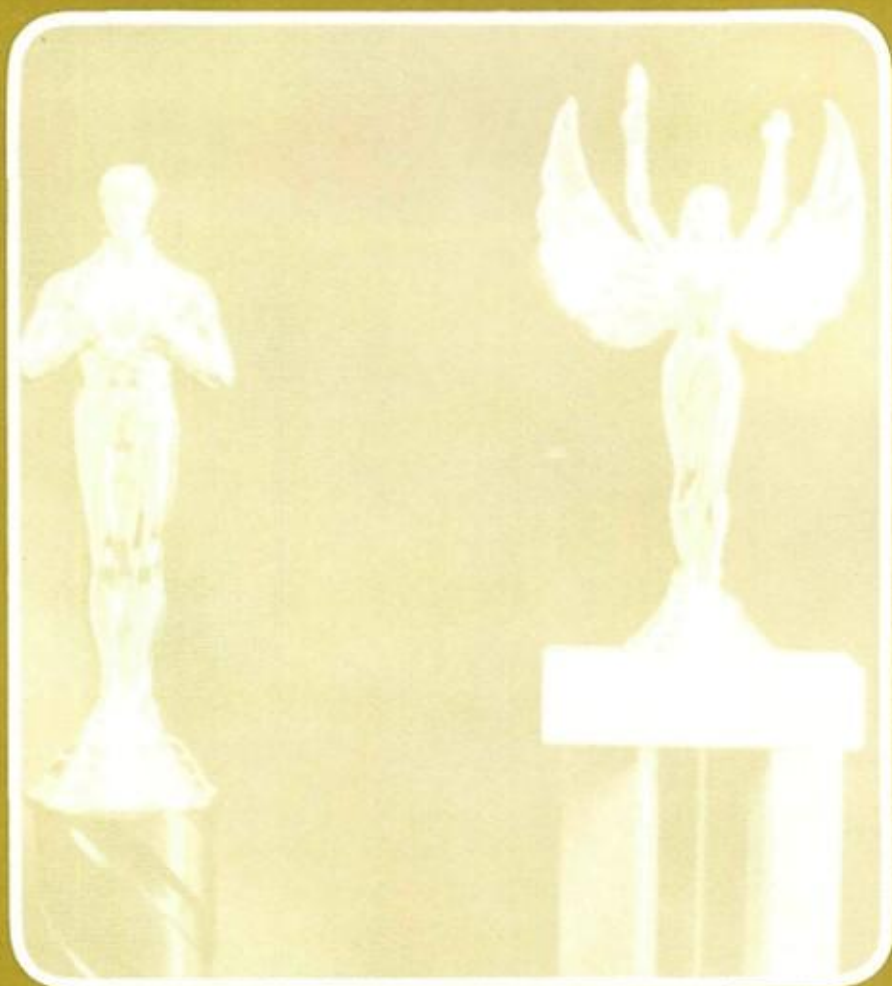

Who said study hall was boring? Some students had as many as two or three study halls this past year. Many students actually learned what study hall was all about and put it into practice. The more homework that was done in study hall, the more time could be devoted to other activities after school.

When students didn't have homework to occupy them, they found other creative things to do, such as: talk, read the newspaper or magazines, sleep, or throw paper airplanes. Study hall provided a break from the monotony of academic classes.

# *Senior Council Guides Cougars Through Successful Year*

The senior class of 1978 was kicked off to a great start on October 15, when the seniors went to Six Flags Over Texas. This was just the beginning for what became an active and memorable year for the graduates of Bryan Adams.

The Senior Council, which was responsible for planning the activities, was sponsored by Laura Winters, Cheryl Moore, Janice Pinyan, Jerry Clay, and Louise Stafford. The officers of the Senior Council, President Steve Ashmore, Vice President Shannon Murphy, Secretary Donna Vance, and Treasurer Lori Stem, prepared activities which made the year enjoyable for the senior class.

The committees which made up the council were: the Prom Committee, the Baccaulaureate Committee, the Senior Project Committee, the Invitation Committee, the Senior Assembly Committee, and the Publicity Committee. Each of these had a special task to fulfill.

Through the efforts of the council, money was raised to buy a Cougar Head to go beneath the letters on the side of the building. Various projects, such as the student-faculty basketball game, provided the money for the senior gift to the school.

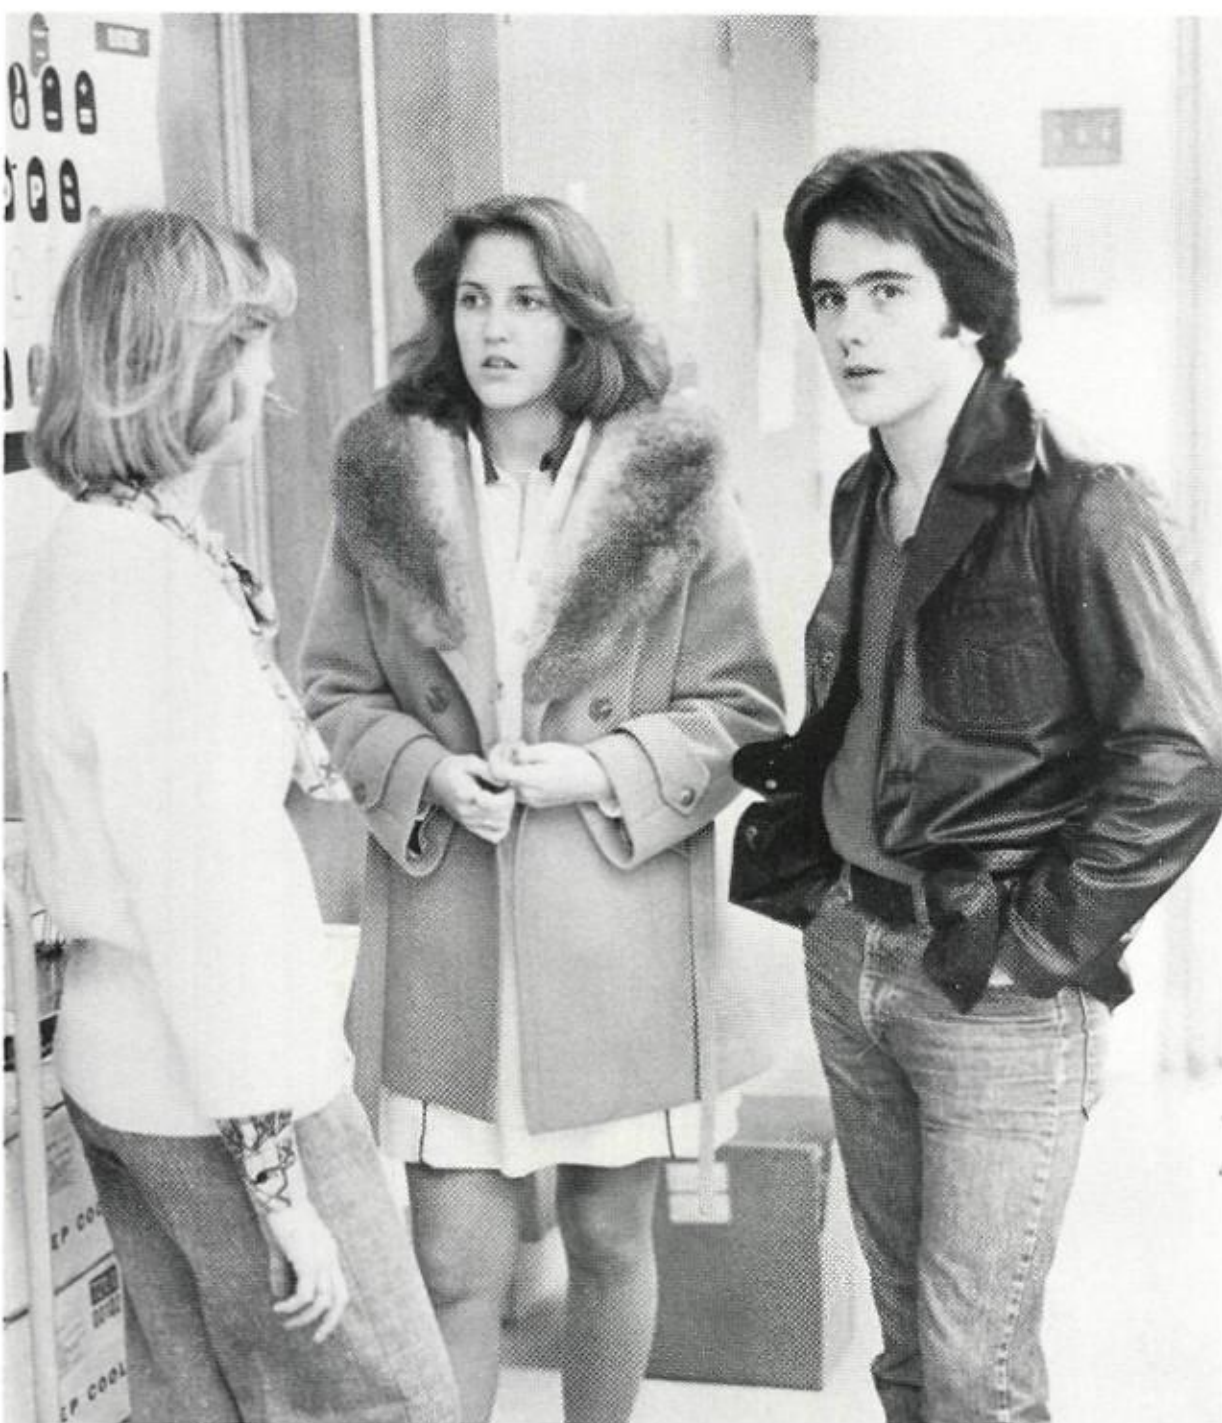

Although the work was long and hard, the Senior Council made 1978 a year to be remembered.

ABOVE: Seniors discuss projects for the year.  
RIGHT: Reva Bruner delivers a speech to the Senior Council.

TOP LEFT: Ms. Winters asks Shannon  
 Murphy about the Council plans.  
 TOP RIGHT: Reva Bruner and Elaine  
 Garrett work together on a problem.  
 LEFT: John Shipes, Shannon Murphy,  
 and Ms. Winters chat about the year's  
 work.

Richardson with the District  
Championship football.

Rarely does a Senior class get to share a year of as much excitement and achievement as this year's Senior Class of '78.

The year seemed to begin as most years do — class schedule confusion, eight people to a locker, Belle and Band practice. But then something seemed to change — a contagious spirit began to take over. Cougars slowly but surely began to win — and win again and again. Our success was not limited just to football — but basketball, soccer, swimming, volleyball, tennis, bowling, cross country — ROTC, speech — in more areas than we all could imagine.

As the athletes and participants continued to win, the remaining Cougars seemed to hold their heads a little higher and walk with pride.

B.A. Cougars did what we knew they could do — "We took it to the limit" — and then some.

TOP: Bryan Adams faculty show their spirit on stage.  
 ABOVE LEFT: "Dr. Pepper, Coca Cola, 7-Up, and Lime . . ." says Mr. Forgey.  
 ABOVE RIGHT: Mrs. Carmichael and Mrs. Holt do their share in showing spirit.

## *El C Photographers Capture Student Life*

Each year the goal of a new annual staff is to "capture the year in pictures." Although the staff draws all the layouts, writes all the copy, and heads and crops all the pictures, the staff would not have a book without the efforts of our photographers.

This year the El C Staff was most fortunate to have a "fleet" of photographers. Shawn Kelley, David Gardner, Bill Albrecht, Ricky Barton, Luke Nakahara, Phil Carr, Lestor Cox, and Gary Cheshire, all dedicated their time and talents to the yearbook. Without their dedication and hard work the completion of the book would not have been possible. The El C Staff extends their thanks to our *super* photographers.

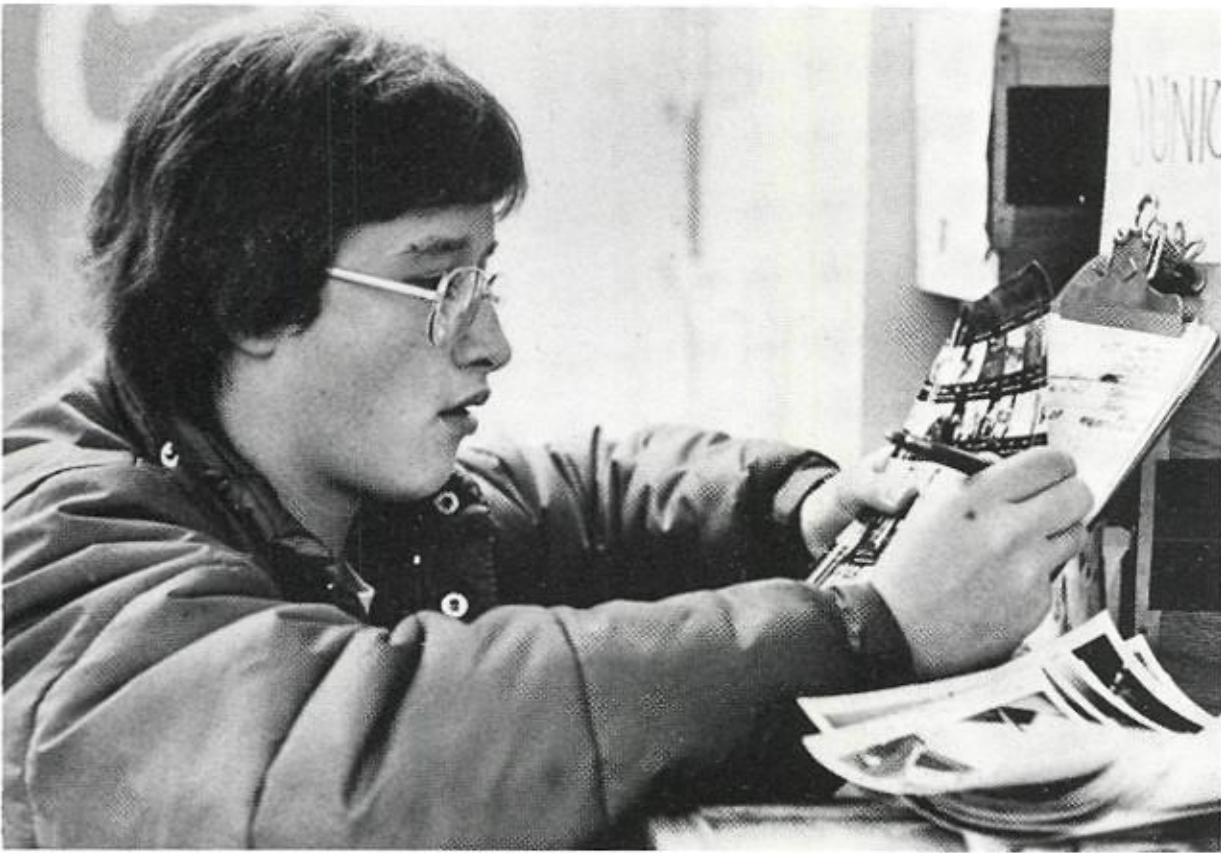

ABOVE LEFT: Shawn Kelley pauses  
while his subject gets set.  
ABOVE RIGHT: David Gardner zooms  
into focus.

RIGHT: Bill (Mr. Bill) Albrecht  
concentrates on getting the exposure set.

TOP: Phil Carr studies his contact sheets.  
 ABOVE LEFT: Richard Barton checks  
 his equipment.  
 ABOVE RIGHT: Lester Cox seems to be  
 buried with photos.  
 LEFT: Luke Nakahara is pleased with his  
 prints.

Debbie,

It's been a great year in Latin.  
We sure did have fun in band  
to Good Luck in marching Band!

Smiling,  
Dank Guild

P.S.

Stay sweet!

Debbie,

We've had fun this year in Latin.  
I wish we had more classes together. I  
think you're a real nice and pretty girl!  
Stay as sweet as you are! Hope to  
see you over the summer. Good Luck  
in the future.

Debbie,  
We had fun  
this year and know  
you have made the year  
easier to live through  
have a good  
summer and  
I'll see you  
next year  
Love,  
Daren  
Jay

Debbie,  
We had a lot of fun  
in history (Ha-Ha) Have a  
great summer! Good  
luck next year,  
John

Debbie,  
G's really  
seen "freshman" in  
am just fun in  
BT. Just year, wait  
wow! Before you'll  
be wait. Have you a  
joy! I know it will  
a next good summer  
year. Don't  
178

Debbie,  
were in glad  
others in each  
are really class. you  
and really sweet  
been fun; has  
Stay Sweet!  
Love. Clara  
Mrs. S!

Debbie!

Hay, it's been  
fun in Frisco!  
Have loads of fun this  
summer! Don't let  
Leamon get to ya!  
Love!  
Denise  
Nance

Debbie,  
It was fun having you in  
History this year. Have been  
at the lake this summer and  
I probably will too. See ya  
next year.  
Scott Brown

Debbie,  
Remember the first of the year when  
we had to interview somebody? We  
didn't know I had to do that.  
Wasn't that dumb? Well, this  
whole year has been that way.  
Dumb! I'm just keep writing  
get mad if I keep writing  
& writing. Bye-bye!  
Nancy  
Pamela

Debbie,  
It's been fun  
being in English together  
and in lunch together. (Remember  
chesty) Maybe I'll see you this  
summer. Have fun & good luck with  
band.  
Love always,  
Kim  
&

Debbie,  
It's been fun  
having you in some  
of my classes. Glad  
I met you. Stay  
sweet. See ya  
next year!  
Sherry  
Martin

Debbie  
Will be made it all  
the way to High School.  
It's been fun this year.  
I sure hope you get into  
summer band. Hope  
I'll see you next year  
Love,  
Dawn Gordon

Debbie,  
I would like to  
say goodbye too  
, but, your always  
around so I  
can't,  
Mary

Debbie  
Roses are Red  
Orchids are Blue  
and you like  
Mary and she  
likes you  
Best of luck  
"8/1" Myron

Debbie,

To a real sweet  
and cute girl.  
You're a real doll!

Look on  
214.

Have a great summer.  
I hope we have some  
classes together. Like  
I said have a great  
summer and I'll see  
you next year.

Love,

Beatrice

~

Debbie-

We've been through  
an hectic year being  
freshmen. From

Cattle Gap to dissecting

frogs, we've been tough

(EXCEPT FOR ME ON THE FROG!!) and

now that we've passed

Freshman year, Sophomore,

Junior, and Senior years

will be easy. See

ya next year!

P.214

Love ya,

Melissa Perry
